This evening, the Syllogismos Accelerator Furnace went out of control...
And because of that, our homeland, Tri Cantina... ...is now gone.

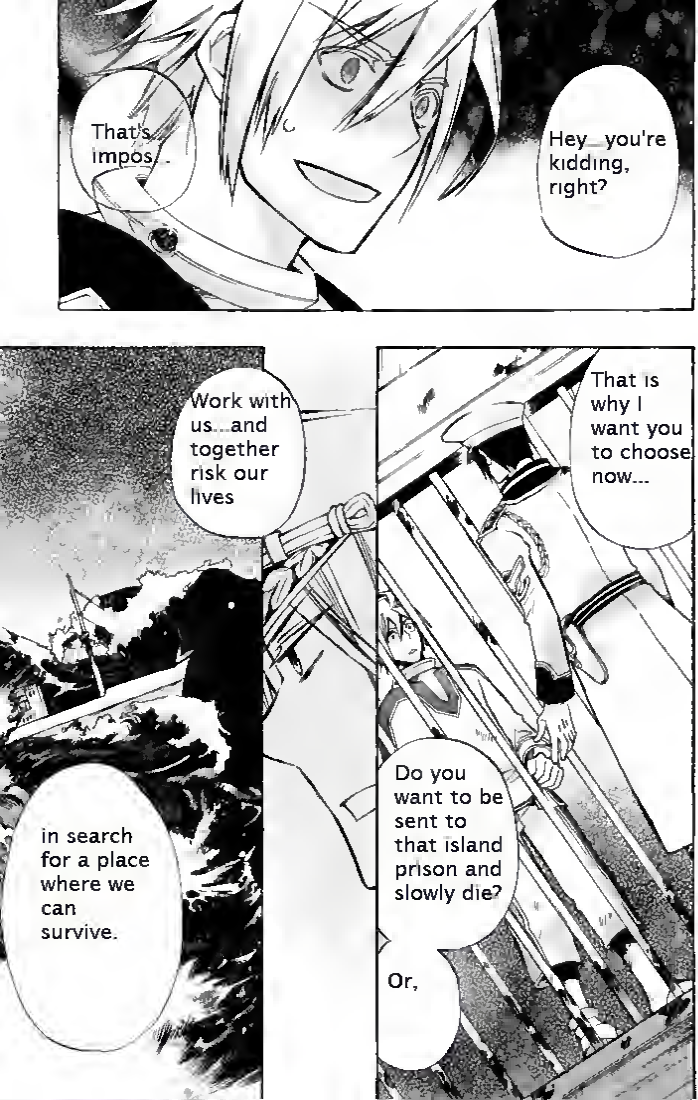
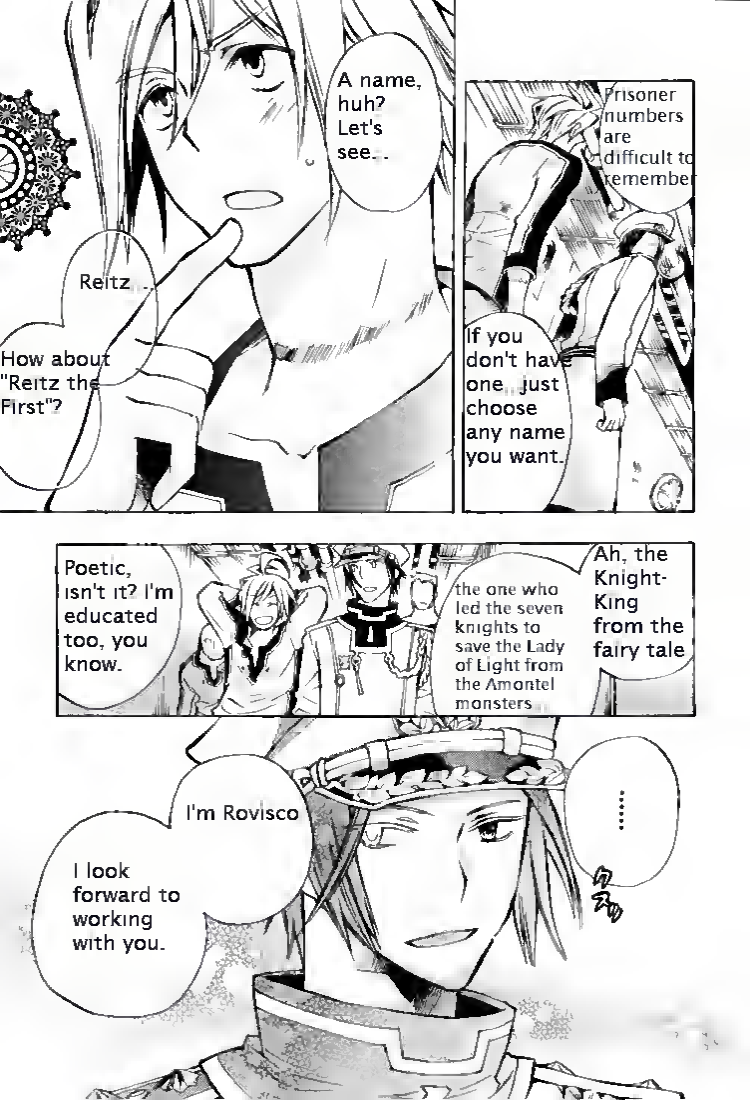
Where's the Captain?
He hasn't come back yet! Let's believe in him and wait
Now that the homeland is gone, the people on the island prison can no longer survive
We've lost all contact
We can't get through
However,
My duty was to take all of you to the island prison

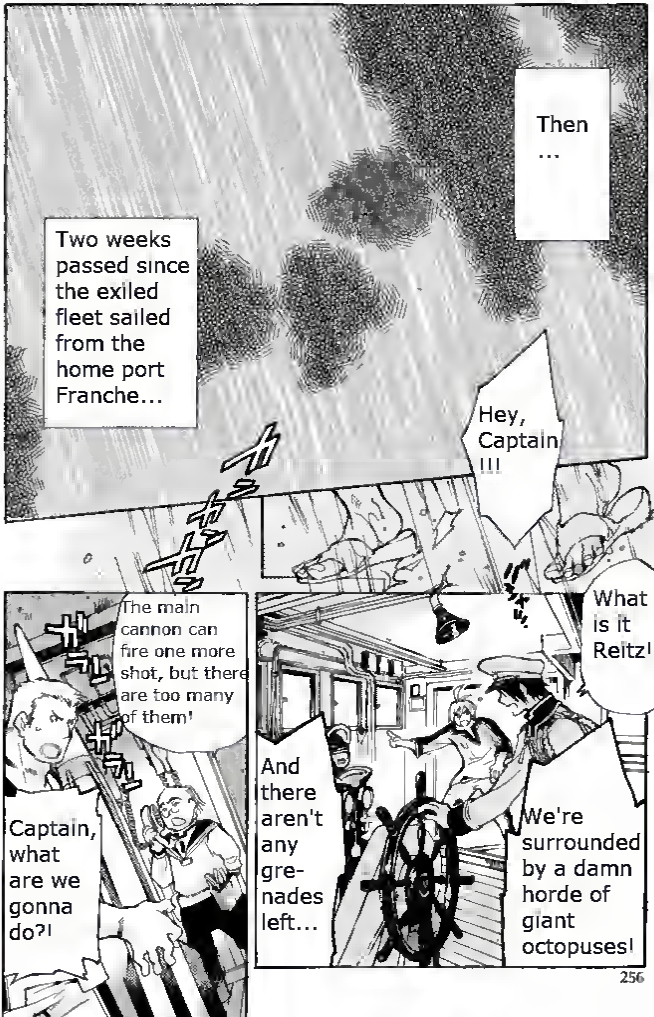


That's impos...
Hey... you're kidding, right?
Work with us...and together risk our lives
in search for a place where we can survive.
Do you want to be sent to that island prison and slowly die?
Or,
That is why I want you to choose now...

ガシャ
Hey...
Are you sure you wanna remove our handcuffs, and collars too? Maybe an insect got into your brain or something?
Have you even thought of the possibility that we might kill you immediately and take over the ship?
Right, what are your names by the way?
Uh... yeah, I think that's impossible...
Not that, your real name
Huh? It's A 778 25
Do you want to try it?
Let's see if you could move this Palme d'Or Class Walter ship, the "Azelprade".
Prisoners don't have such a thing. It's part of our sentence
What?



A name, huh? Let's see...
Reitz
How about "Reitz the First"?
Prisoner numbers are difficult to remember
If you don't have one, just choose any name you want.
Poetic, isn't it? I'm educated too, you know.
the one who led the seven knights to save the Lady of Light from the Amontel monsters
Ah, the Knight-King from the fairy tale
I'm Rovisco
I look forward to working with you.
.....



Then ...
Two weeks passed since the exiled fleet sailed from the home port Franche...
Hey, Captain !!!
What is it Reitz!?
We're surrounded by a damn horde of giant octopuses!
And there aren't any gre-nades left...
The main cannon can fire one more shot, but there are too many of them!
Captain, what are we gonna do?!

All of you...
Are you willing to go along with my gamble?
Gamble? What gamble...?
The neighboring country has not responded to our request for aid.
And we are running low on fuel...That being the case.
We sail to the edge of the world
The exiled ship crew... and the surviving citizens of Tri Cantina...
The No.3 ship Azelprade, the lifeboat Quelle, and the research vessel Mermat.
and descend the waterfalls!!!

What did he say!? Suppress the impact of the fall through the cannon's blast and recoil!?
Dammit!!!
The three ships sailed to the edge of the world and descended the waterfalls,
What the hell is he thinking, acting like he's the boss!?
To that place where they say no one has ever returned from.

"I've forgotten that they were prisoners."
And this was written in Rovisco's journal:
"We might probably get along with each other..."
"I think,"

Do you want to know what happened next?
The story that Brother once told me ended there.
you didn't seem interested in it.
Orhaldi said that...
...Yes.
...then I want to know.
If... this is the truth behind the founding of Azelprade,

I...
..have to know.
The world at the foot of the waterfalls
Whoa...
I've never seen a place with so many trees before.
...was a peaceful place. A place that those on the ship never expected.
Hey... Reitz
We've now reached dry land. What are we gonna do now?
Are we gonna let the ship's crew live?

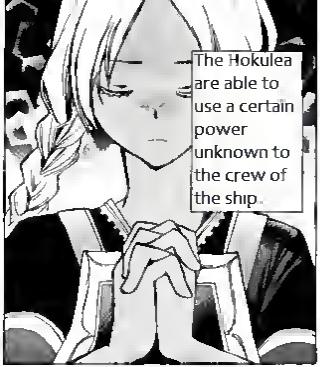
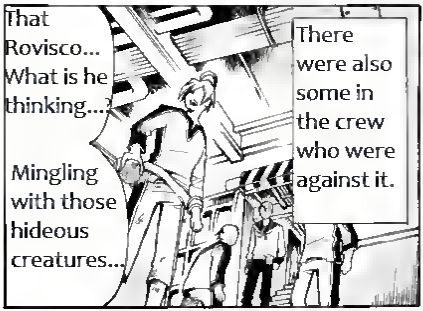
and the Concolor, whose features were not that different from the ship's crew.
In that land, there lived the dark-skinned people, the Hokulea,

The Concolor revered the Hokulea and learned from their ways.



The Hokulea are able to use a certain power unknown to the crew of the ship.



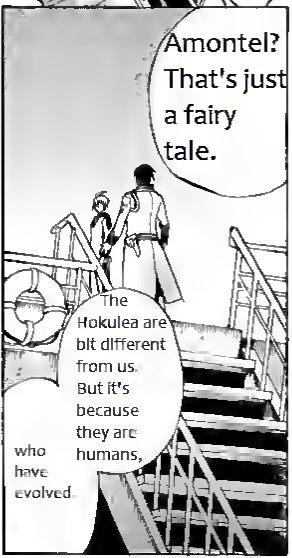
That Rovisco... What is he thinking...?
Mingling with those hideous creatures...
There were also some in the crew who were against it.

And so Rovisco and the others also started to learn from the Hokulea.
However,

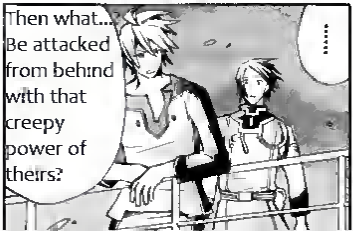
Rovisco
We're back. We have learned new things today.
Reitz... you should come with us next time...

They are,
Amontel!

And more importantly, how can we survive in this unfamiliar land?
It's by learning from those who came before us.

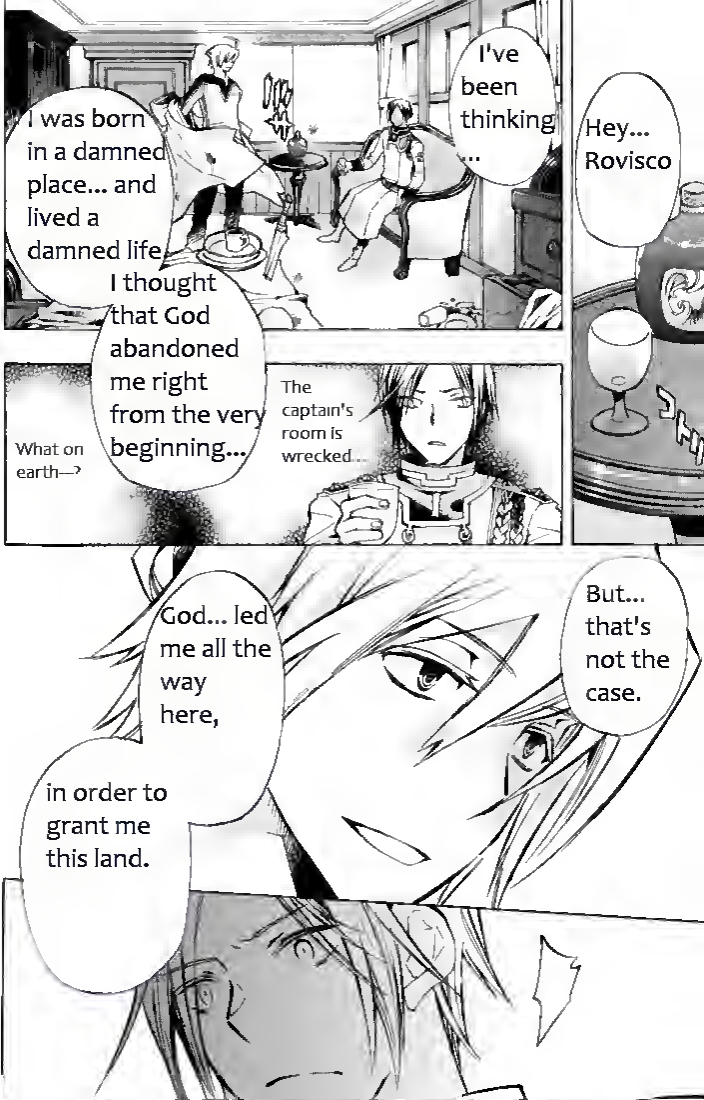


Amontel? That's just a fairy tale.
The Hokulea are bit different from us. But it's because they are humans, who have evolved.

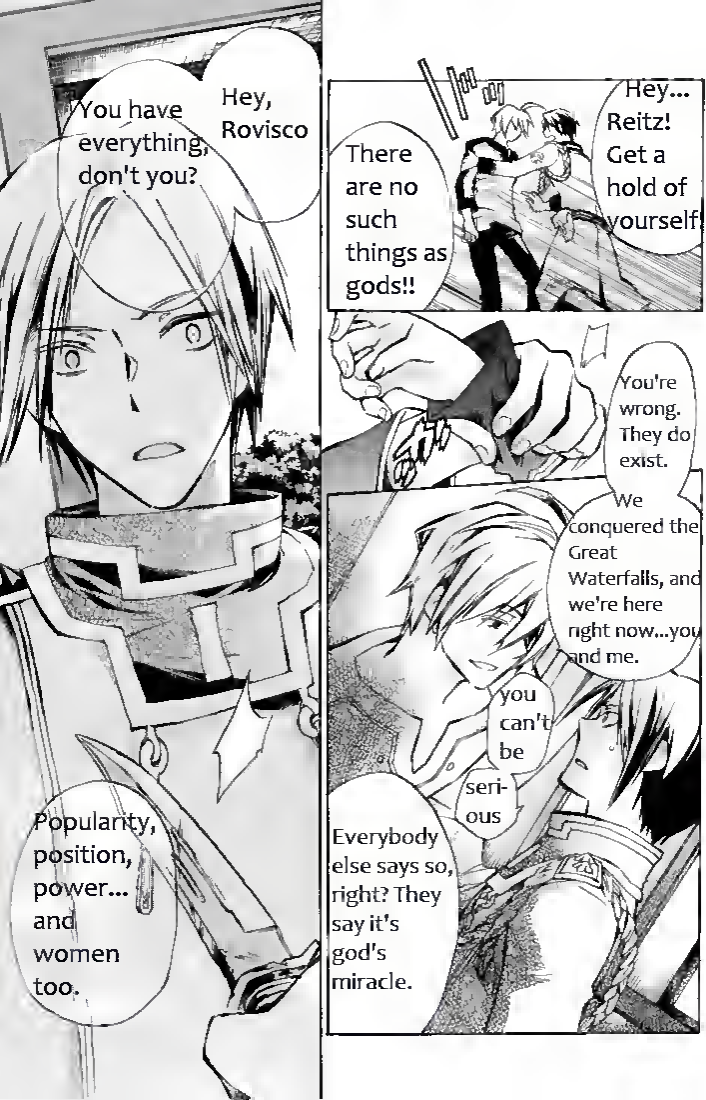


Then what... Be attacked from behind with that creepy power of theirs?
.....

If that's the case, then you people should just live near their village from now on.
And with that,
the crew was divided into two factions...
We'll be staying in the ship.
The pro-Hokulea group headed by Rovisco,
and the anti-Hokulea group led by Reitz.
Captain!
...Captain! Please wait!!
I don't think it's a good idea to go near them! Recently, they've been causing trouble around here.
.....
Reitz... Winter is coming. It will be cold inside the ship.
Won't you come and take shelter from the wind and snow in our homes, at least for the winter?



I've been thinking...
I was born in a damned place... and lived a damned life.
I thought that God abandoned me right from the very beginning...
Hey... Rovisco
What on earth—?
The captain's room is wrecked...
But... that's not the case.
God... led me all the way here,
in order to grant me this land.



Hey, Rovisco
You have everything, don't you?
Popularity, position, power... and women too.
Hey... Reitz! Get a hold of yourself!
There are no such things as gods!!
You're wrong. They do exist.
We conquered the Great Waterfalls, and we're here right now...you and me.
you can't be seri-ous
Everybody else says so, right? They say it's god's miracle.

...That's why,
...you wouldn't mind, right?

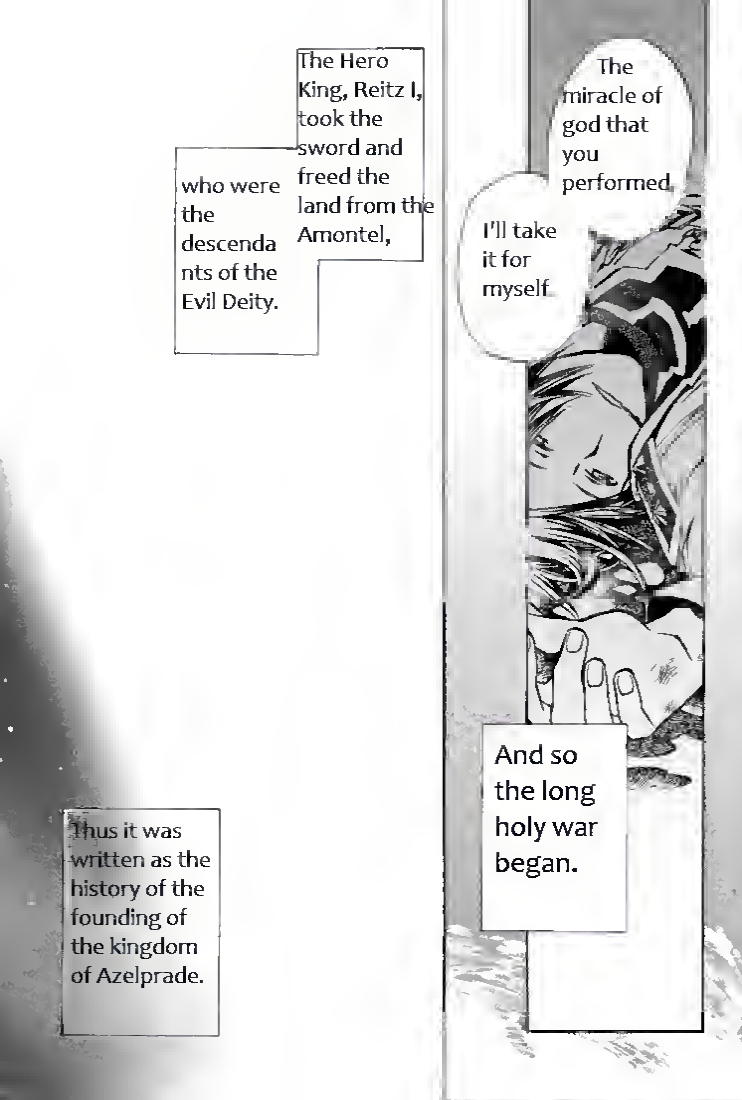
aptain, are you finished wi your conversa-tion?
It's already sunset so we've come to pick you up...



The Hero King, Reitz I, took the sword and freed the land from the Amontel,
who were the descendants of the Evil Deity.
Thus it was written as the history of the founding of the kingdom of Azelprade.
The miracle of god that you performed,
I'll take it for myself.
And so the long holy war began.

If that gets damaged, we're the ones who will have to fetch the water from underground!
Get the waterwheel out of the way first!!
But it's already oozing out!!
Royal Prefecture — Neue Favrille
Hold it tight and then pull! That weird sludge will ooze out if the ropes snap!
All of us...

We are pleased to be in your service.

Hey, where's my maid?
Hasn't she come back yet?
It appears that the previous maid was held responsible for what happened in Florel, hence she was relieved of her duties
...And what about Seamrog!?
Is he gone!?
There were monsters in the castle... then Seamrog...
I... I haven't heard anything about that!! Even though she's my maid...
And what did you mean by held responsible...?
...Even if you ask me, I do not know anything about it.
Ah, that commoner who saved your life. I hope that they find him safe and sound but...
since they have not found him yet, then the "watchdogs" probably...
You're wrong! Seamrog is my knight...

Just as I thought... it's strange...
Leave me alone!!
Prin-cess!!
I hate you!!
I don't need a new maid!!
There's something strange about the castle...
Please don't give me a reason to get angry!
It will be a problem if you do not let at least one maid to attend to you.
Princess... A lot has been going on. It can't be helped.
You mean snake lady!!!
I'm the one who's angry right now!!

My maid,
And Scamrog, and the monsters ...I don't know what's going
They won't even let me see Big brother Orcetto, of the Commoner
Fine then!
I'll find out for myself.
It's okay because I'm still taking a break from being a lady!!!
I'll put on my training clothes...and ride the horse that Big Brother Hector gave me!
It'll be easier to move around this way.
Although I haven't worn this before because I look like a boy.
Geez... What is that child's problem!?

—Huh?
I'll use Sir Lagen's drug or whatever it takes to do my job well!
Of course I'll be careful! I won't let myself get killed!
Be careful not to become like her.
What is she talking about...?
No way...
I wonder if she knows...
that the maid was executed because she ran away from Florel...
It's the mean snake lady!!!

OP.25

Reitz I... killed Captain Rovisco who was originally the leader

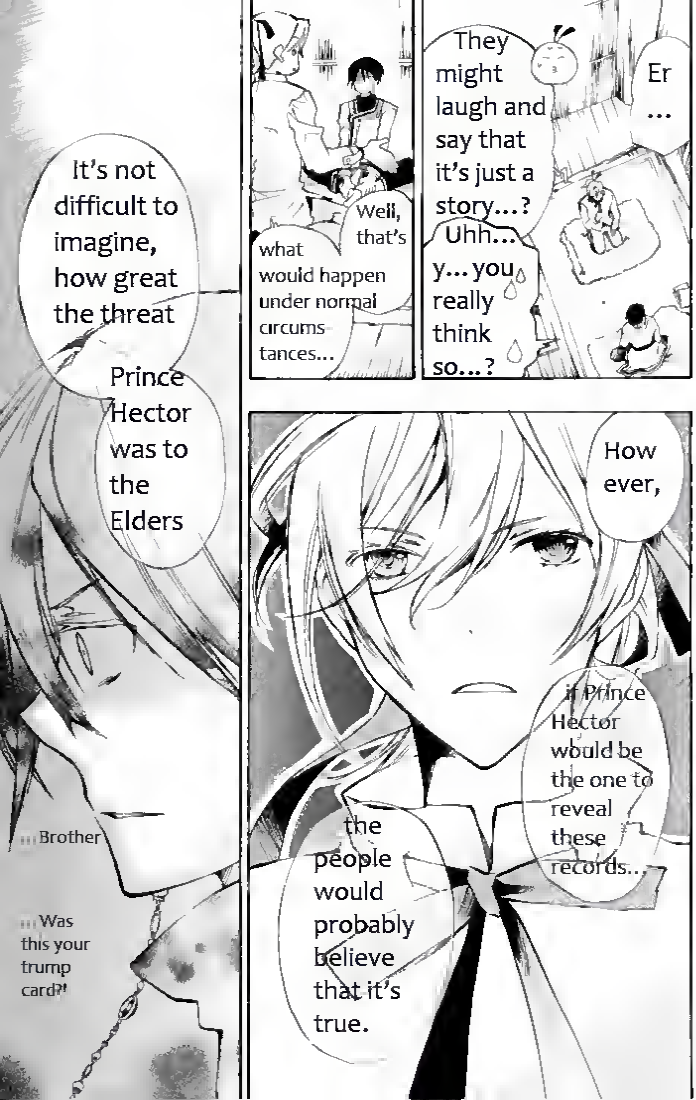
Then, he likened the natives of the land, the Hokulea, to mystical creatures from a "fairy tale"... and drove them away...?!

What on earth does that mean...?

Does that mean the history that we have been taught

was all a lie?

But the question is...
If it's just a story,
Is there a reason why Prince Hector went through all this trouble of hiding the pages in another book and entrusting it to you?
I'm not exactly sure...
Because it's also possible that the author ...just made up this story in order to slander the Hero King ...Reitz I.
Then...
this country would have probably been ruined.
If we did not stop Prince Hector,
He was probably talking about these records.
What do you think will happen if the public knew about this?
!
Kiliko Lagen said... If they didn't stop Brother's plans, this country probably would have been ruined...
ストーリー



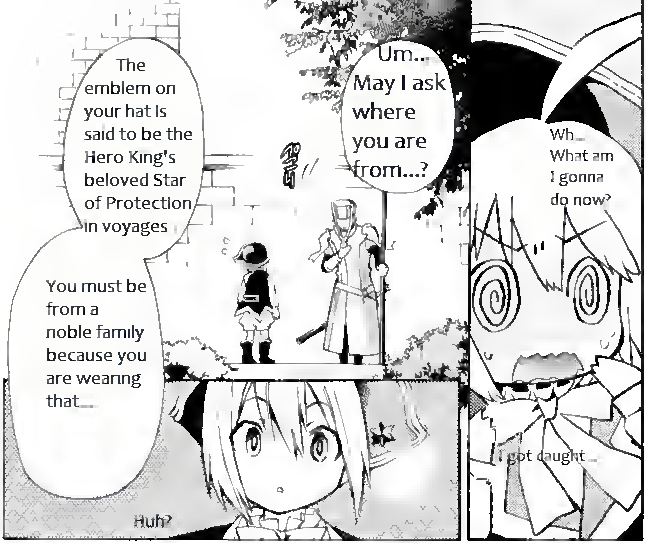
Well, that's what would happen under normal circumstances...
They might laugh and say that it's just a story...?
Er...
Uhh... y... you really think so...?
It's not difficult to imagine, how great the threat Prince Hector was to the Elders
How ever,
if Prince Hector would be the one to reveal these records...
the people would probably believe that it's true.
...Brother
...Was this your trump card?!

No,
It's all right. Let's continue our conversation
Belca, are you all right?
You look kind of pale.
And you had to hear such a shocking story in that condition...
Let's rest up a bit, because we really haven't had enough sleep yet.
Belca...
I wonder if all bards and scholars are like that.
Huh?
Come to think of it, you don't look very surprised about this.

Belca...,
you know, the truth is ...
Excuse me for interrupting.
Shingetsu!
Those clothes...
Sorry for making you wait.
It seems that the village elder and the priestess would like to hear your story.
...They've really given me quite the trouble this time!
ゴゴゴ

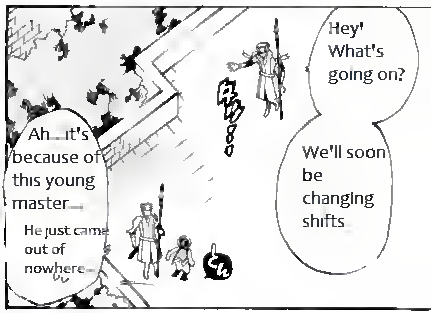
I have to look for them!!
Ah---!
Someone's coming...I need to hide or else they'll take me back to my room!
Because...
the maid and Seamrog are just lost!!
Please refrain from going outside!
Count... Please wait!
The monster's carcasses are still...
About what, sir?
However... how should I say it... I'm a little uneasy.
Yes, I know.

All of this started the moment Prince Orcelito became Crown Prince—
It's like a curse, don't you think so?
Hey!
What are you doing there?
I think that is a bit too much, Sir.
Haha...I am only joking. You know I would never seriously think of something like that.
D d he just say someth ng bad about B g Brother Orcelito,...
That rude man...I have to teach him some manners!!!

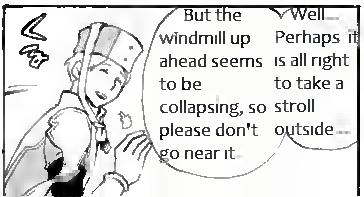


The emblem on your hat is said to be the Hero King's beloved Star of Protection in voyages
Um... May I ask where you are from...?
You must be from a noble family because you are wearing that...
Huh?
Wh... What am I gonna do now?
I got caught...

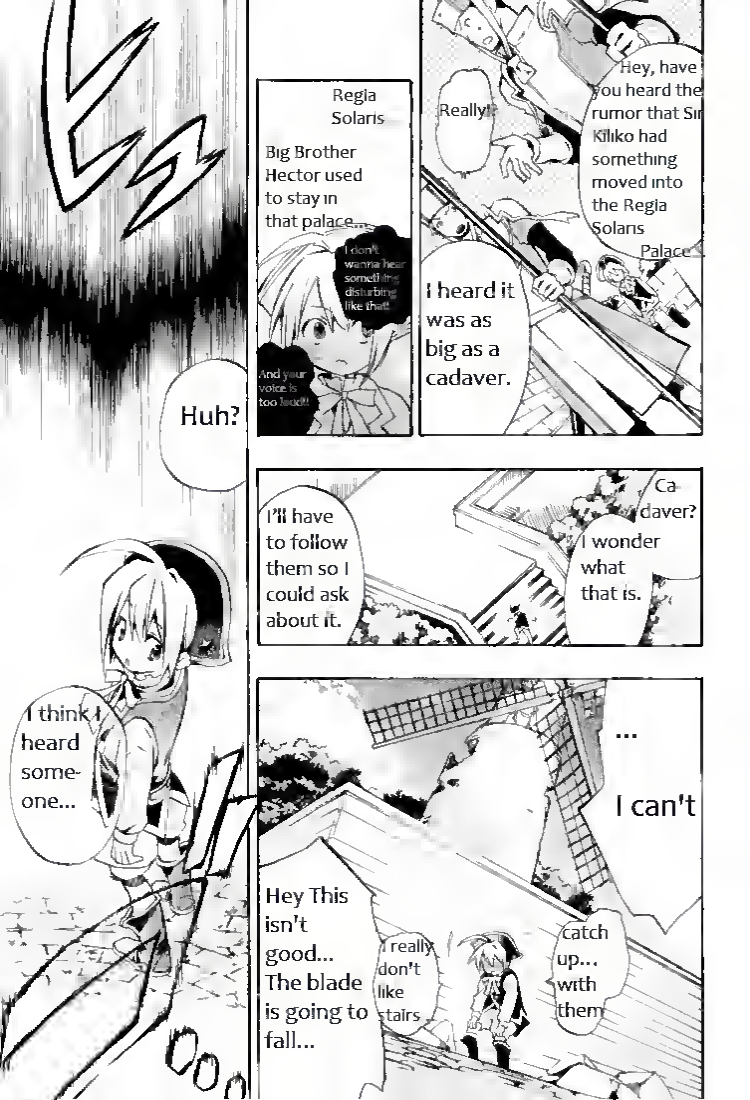
Young master...?
Looks like they didn't recognize me...!!!
But they thought I was a little boy...



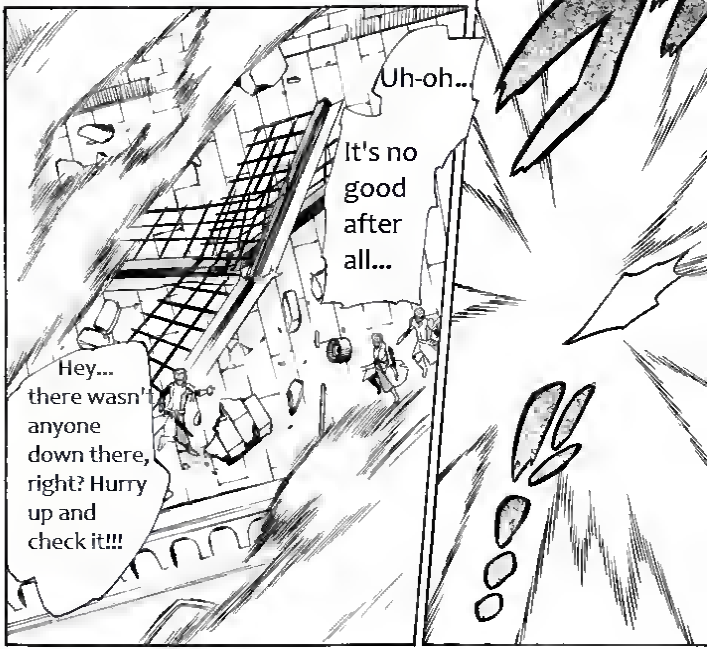
Hey! What's going on?
Ah... it's because of this young master...
He just came out of nowhere...
We'll soon be changing shifts



But the windmill up ahead seems to be collapsing, so please don't go near it
Well... Perhaps it is all right to take a stroll outside...



Huh?
I think I heard some-one...
Regia Solaris
Big Brother Hector used to stay in that palace...
I don't wanna hear somethi disturbing like that!
And your voice is too loud!!
Really?
Hey, have you heard the rumor that Sir Kiliko had something moved into the Regia Solaris Palace
I heard it was as big as a cadaver.
I'll have to follow them so I could ask about it.
Ca-daver?
I wonder what that is.
Hey This isn't good... The blade is going to fall...
I really don't like stairs
...
I can't catch up... with them

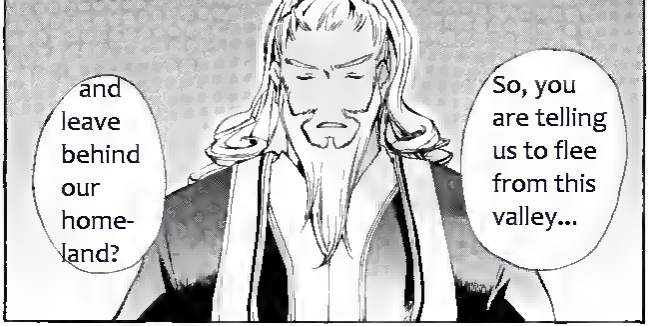


Uh-oh...
It's no good after all...
Hey... there wasn't anyone down there, right? Hurry up and check it!!!

Are you hurt?

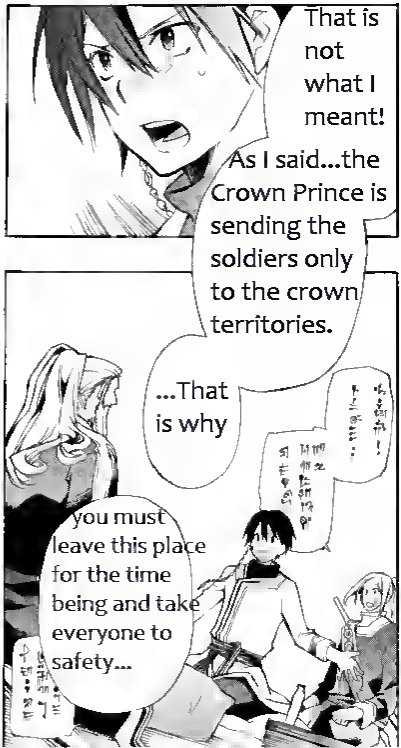
Seam...
rog...?
You
dummy
...!
Where
have you
been...!?
Well...
I was
planning
to escape,
but...
the
payment
you gave
me was
too much.
So... I
think
I'll
stay...
...a bit
longer
and work
for you,
Princess.

You are saying that the people of the Stone Capital will try to take the mountains away from us..
I see. Prince Belca, your message has certainly been heard.
The Priestess said that we tried to put our hopes in
...Prince Hector's hands. But the people of the Stone Capital do not want to be our allies.



So, you are telling us to flee from this valley...
and leave behind our home-land?

Ever since ancient times, we have always lived in this valley, in these mountains.
We cannot survive away from the mountains.



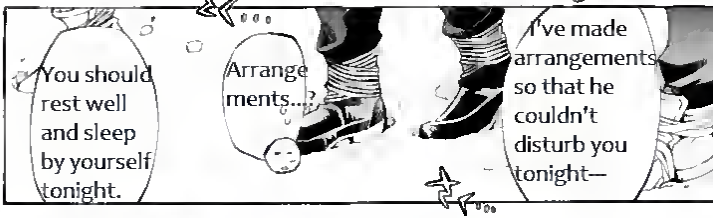
That is not what I meant!
As I said...the Crown Prince is sending the soldiers only to the crown territories.
...That is why
you must leave this place for the time being and take everyone to safety...

We now know that the soldiers of the Stone Capital are on the move.
If the other villages find out that you are here,
they might become suspicious so we must ask you to leave.
...However,
I am truly grateful because you put yourself in danger and personally came all the way here to inform us.
You must be tired from the journey. Please join the banquet and rest here for the night.
Tomorrow I shall send some of the villagers to accompany you until you reach the road to the Stone Capital.
Elder,
.....
Lastly, may I ask about something?
What is it?
Rovisco ...
and Tri Cantina... are you familiar with those names by any chance?

Are they visitors? Those names do not seem to be Hokulea.
Unfortuna tely, I have not heard of them before.
I heard what you talked about
I think we already did the best that we could.
The rest is up to the villagers now.
...But all I did was just inform them, that's all.
If I am a prin ce... then there must be something else that I can do..
Some thing more..

I'm afraid ...
there's nothing else we can do here...
A person's title does not hold any kind of mysterious power in itself.
Besides, we're not in the "Stone Capital"
You left the palace by yourself. So the only thing you can do now... is that, which you can do by yourself.
Say, Belca...
If it's okay, won't you come with me in my travels?
What...?
We'll go to different places, learn their traditions and sing about them... I think that kind of lifestyle isn't so bad.
And I think...
Orhaldi would be happy for you too,
even if you choose that kind of peaceful life.

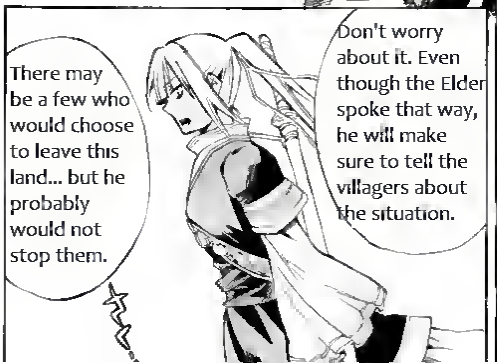
The banquet is ready!!
Sorry to keep you waiting ♡
Huh?
--Belca
What ban-quet...?
You're kidding!? Didn't Prince Hector go out with a Hokulea!?
Help!!!
What do you mean by that!? You don't like me!?
Please drink lots and lots tonight !!
!?
Mr. Blondie! ! It's been a while!!!
Oh--
Sorry but the ladies don't go near men from the Stone Capital...
Wh... Who are you?!
...Rather, I want to drink with the ladies!!



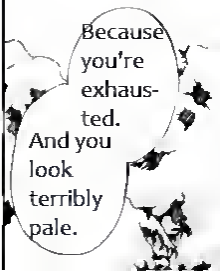
You should rest well and sleep by yourself tonight.
Arrange ments...?
I've made arrangements so that he couldn't disturb you tonight—

It's alright... I'm not tired.
More importantly, we have to find a way to help the people here—
You'll die in that condition— Here You should eat this
I packed the food from the banquet for you And here are your clothes They're already dry

Uh... alone? Why is that...?

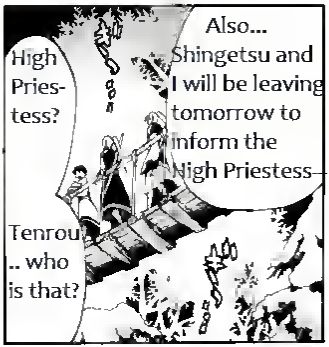


There may be a few who would choose to leave this land... but he probably would not stop them.
Don't worry about it. Even though the Elder spoke that way, he will make sure to tell the villagers about the situation.

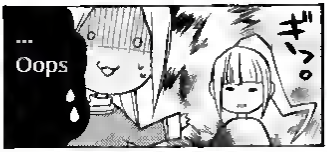


Because you're exhaus- ted. And you look terribly pale.

..She is the head of the priestesses who have loosely kept us Hokulea together.
She inherited the ancient bloodline...Her ancestors lived in the time when the people of the Stone Capital have not yet come to this land
No one except the Hokulea is supposed to know this, so please pretend you didn't hear that.



Also... Shingetsu and I will be leaving tomorrow to inform the High Priestess
High Priestess?
Tenrou .. who is that?

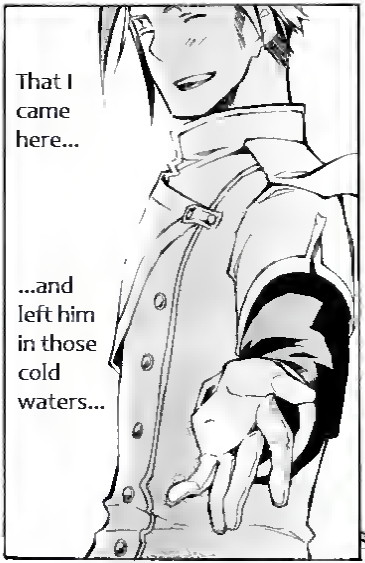


...
Oops

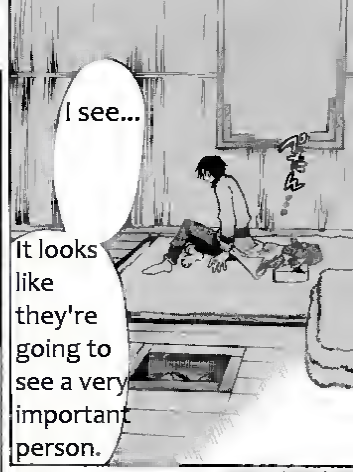
sfx Sigh

So you don't need to worry!
Okay then...I'll come pick you up tomorrow.

Th... that's right! Since the current situation does not concern only this village,
we'll ask the High Priestess to send messengers to the other villages as well...

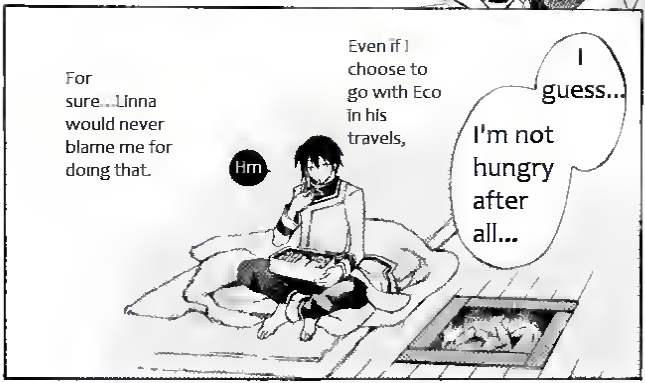


That I came here...
...and left him in those cold waters...



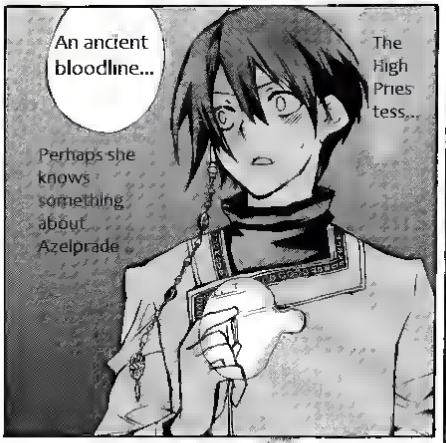
I see...
It looks like they're going to see a very important person.

...that this wasn't all for nothing...
Hm...
I wonder if it's all right to think...



For sure...Linna would never blame me for doing that.
Hm
Even if I choose to go with Eco in his travels,
I guess...
I'm not hungry after all...

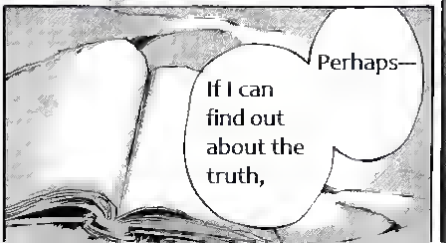
Fish from the roadside and seaside towns were also delicious.
He... bought all kinds of food for me...
... it's delicious...
Fried fish?
But...
... That's right...
I wanted to..
I want to...
..eat lots more, together with you...



I want to be the king's son after all---

to move people through words like Brother, but...

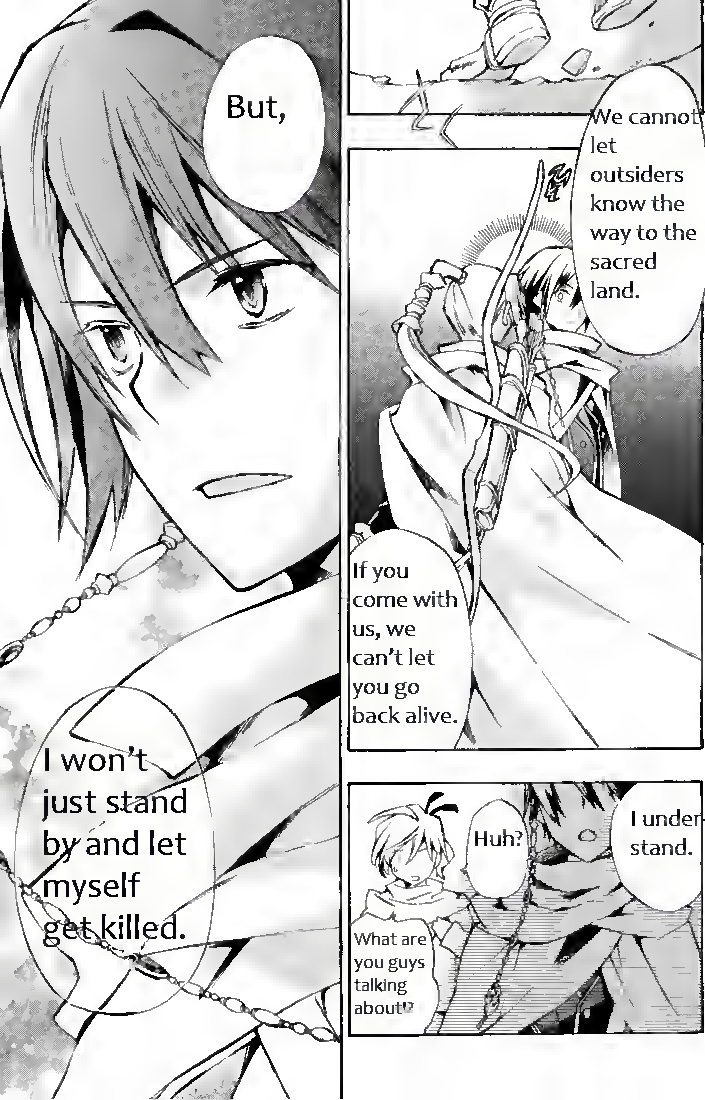
I don't have the power



The king's son, who Linna risked his life for.

A bargaining chip with Azelprade.
This could become...
All right, let's go.
Shingetsu and I, Taihaku's group, and Belca's group,
All of us are headed in the same direction until the mountain pass.
No way...
We're leaving already?
Eco-tan hasn't slept at all last night...
Can't you see? I have to carry the wounded to the neighboring village!
I also wasn't able to sleep yesterday!
Taihaku tan... please carry me until we reach the roadside!
Hm?
What is it, Belca?
Hey...

Could you...
... please let me meet the High Priestess too?
"High Priestess"...?
Eco... I'm sorry but I can't go with you
I have to know if those records are true, no matter what.
My goodness... I told you not to tell anyone!
Belca, I realize that this also somehow concerns you.
I would like to take you along with us, however



But,
I won't just stand by and let myself get killed.
We cannot let outsiders know the way to the sacred land.
If you come with us, we can't let you go back alive.
What are you guys talking about!?
Huh?
I understand.

Haha!
What's up with this kid? He said the same thing Hector did!
What the heck, just let him come if he wants to.
At least until midway.

We're gonna leave you behind, you
Hey— What are you still doing there?

Second...
A "cadaver" is something that a dead person leaves behind...
the "plague" Then... that was discovered outside the palace is some kind of scary sickness...
First...
It's not true that the Commoner was kidnapped
What really happened was, he "escaped" with the meanie bard...

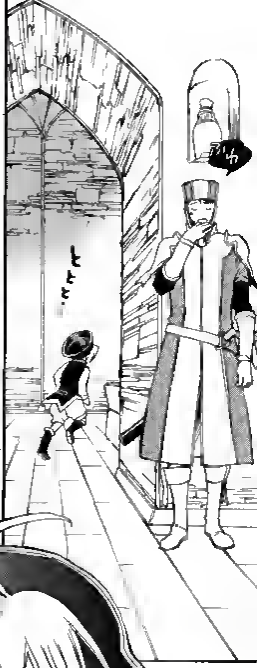
Then that means the wicked man must be planning on something...
And if that "cadaver" was taken into Big Brother Hector's palace...
Which is now Big Brother Orcelito's palace
The / wicked man
She remembered everything that Seamrog said!!!
Musca is so smart!!!

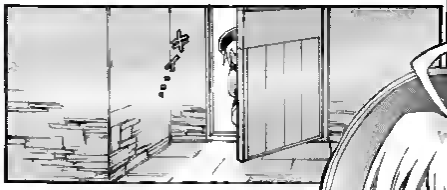
It's perfect!
Because that's what a mercenary does
A mercenary is like a fairy!
And then...
きょろ
きょろ
If it looks dangerous, I should immediately run away
hates stairs
And then... Oh, that's right!
and even if she gets surprised at what she hears, she musn't talk and should stay put!!
A mercenary doesn't go near dangerous places! She should listen quietly,
If I get caught, I should smile and greet them,
And say, "Good day. Do you know where the bathroom is?"

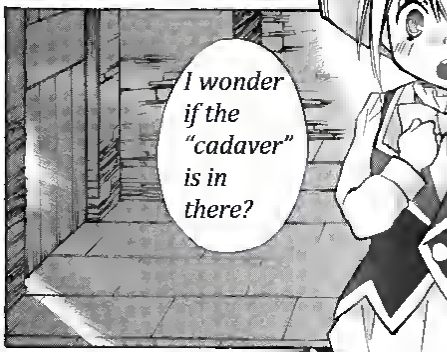
But there's no place for a person to hide in here....

Huh? Did someone just pass by?!



ヒヒヒ

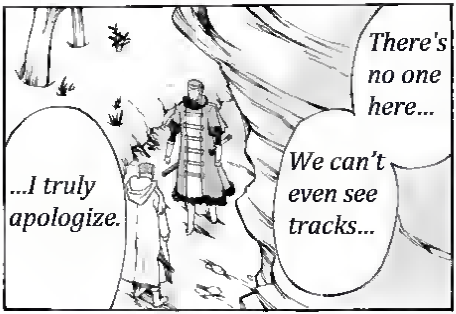




I wonder if the "cadaver" is in there?

Oh...?
There's a light!

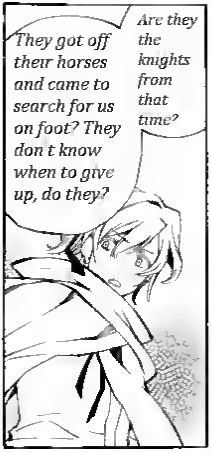
Looks like it found something
On the other side
……
AA……
……



There's no one here...
We can't even see tracks...
...I truly apologize.

Are they the advance party for the Hokulea attack ?
And just when actual winter is about to come, huh
Soon, this area is going to be closed off by snow too

...Shall we go back to the road for now and ask for some backup?
The thick herbs might have confused the little one's sense of smell
underneath the snow in this area



They got off their horses and came to search for us on foot? They don t know when to give up, do they?
Are they the knights from that time?

Where on earth is Prince Belca...?

Eco-tan will get caught because they already know how I look like!!
If there are checkpoints at the town gates...
No thanks!!!
Oh! ♡
I told you I'll protect you~~~~
Coz I was the culprit after all...
But what am I gonna do now?
If they're looking for Belca, then that means they're looking for me too...
He-hey, what's wrong!?
You...
It's because of the guards and that homo!!
Please take me with you! Think of it as helping me out. Pretty please?
Hey! Hey! Belca-tan!!!
I told you, I can't...

You... You're that weird man from that time...
The friend that you wanted to rescue...
...was Belca?
Yeah.

Why didn't...
...you tell us about Belca when you led us into the palace?
If we had known it was Belca then.....
So the one who led them into the palace was you, Eco?
Hm?
.....
I didn't really "take you there"
Didn't you threaten me into leading you into the palace?
And... do you think that I would tell the people who want to kill the royal family, that one of them is an acquaintance of mine?

Perhaps a lot has happened but,
as it turned out, he was risking his life to save Belca
Can't really blame him
then...
From here on, we'll go on three separate directions
Well, we better get going
And Eco-san please try not to use words that might upset someone
Okay I'm sorry

Bard, you could come along with us.
Of course there's no guarantee that you could come back alive, just like what I told Belca
Belca "I'm scared of just the two of us traveling together! Please take me with you!!"
You're still saying that?! You're gonna be fine. You'll manage somehow at the checkpoints.
Shin getsu ?
Wait.
Wait. Shin-getsu
What are you saying
Rather than a hunted man, but as a traveler...
...Wouldn't it be better to risk your life for the sake of pursuing your goal?

Note. Shingetsu's name means "new moon", which is the lunar phase when the moon is not visible.
Let me go
Alright then... Let's hurry because it's not going to be a quick and easy journey for both of you.
To think, such a kind and warm heart is hidden underneath all that... Very much like an obscured moon...!
----Well, of course!
Shingetsu-san, I have always seen you as a person full of wisdom, like a fountain in the early morn, however...
...Shingetsu?

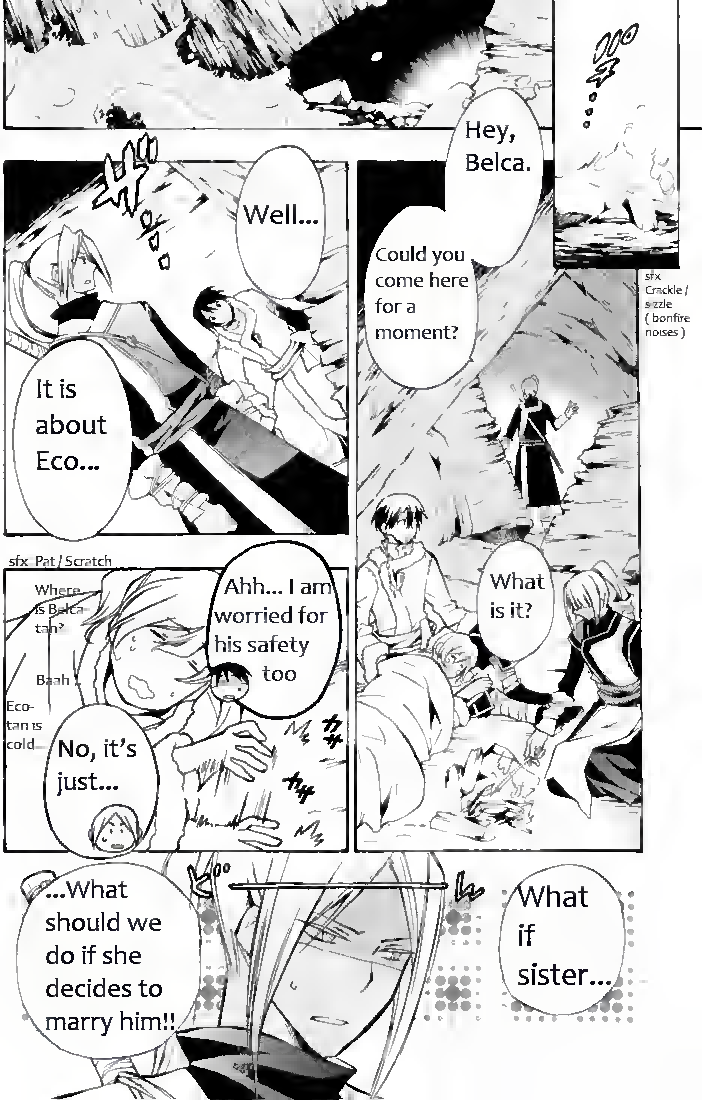
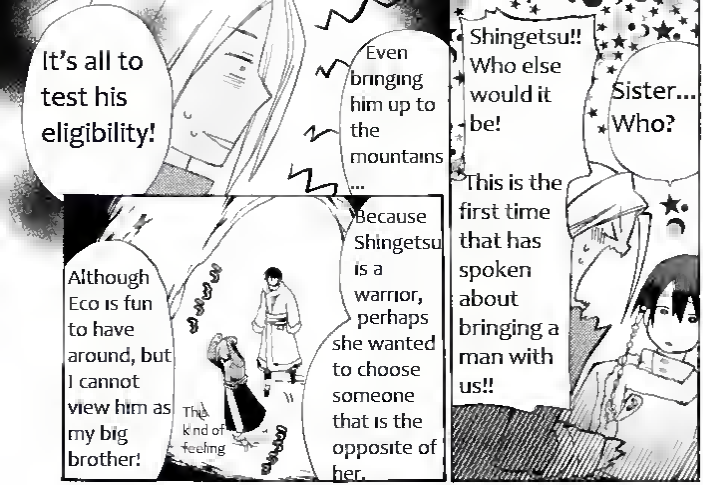
OP.27
All the things that I have done for you...
All the things that I have believed in for you...

Uwaah ...!
sfx: Cold wind
...Thank you... Belca
Eco!!

... its not that i "follow you"
Pfft!
I wanted to be here myself!
Eco-tan... thought he was going to die!!
Although it looks pretty from below, snow mountains are really scary when you get up here...
I might not be able to look after you all the time... If anything happens, I will be unable to save you like I just did!
If you think so, then why did you follow us?
Hmm?
... Shin-getsu
It will be troublesome to fight with them
leopards
I believe I hear the hunting calls of the snow leopards.
It seems that this is where we can travel till today...



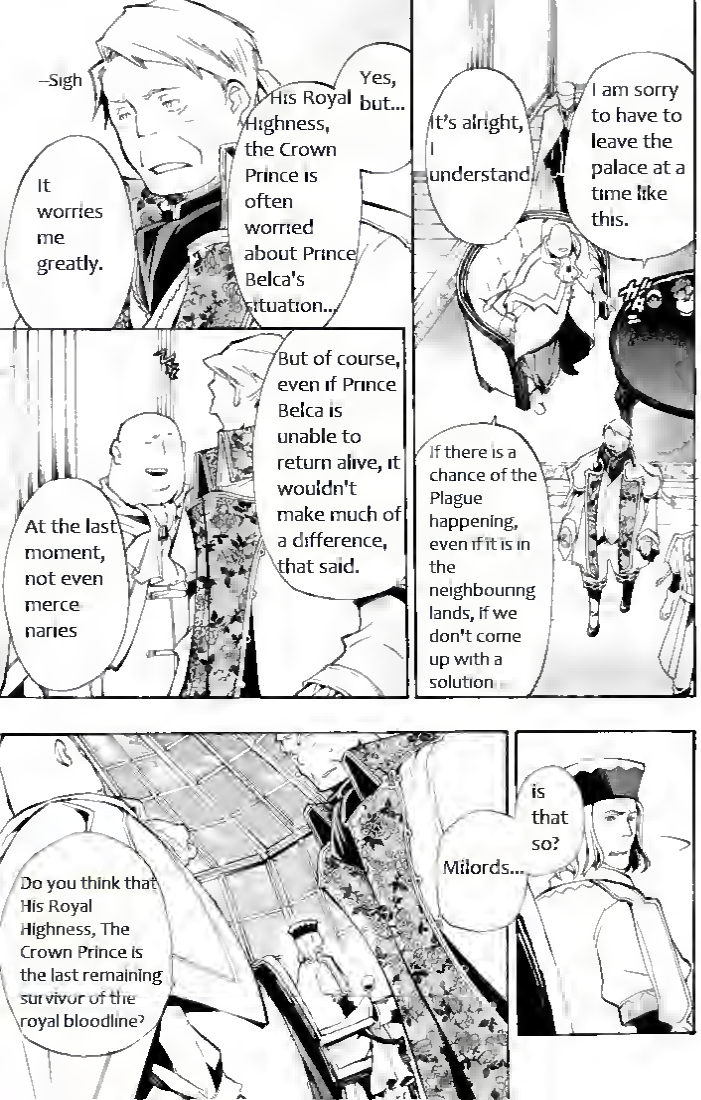
Hey, Belca.
Could you come here for a moment?
What is it?
sfx Crackle / sizzle (bonfire noises)
Well...
It is about Eco...
sfx Pat / Scratch
Where is Belca-tan?
Baah !
Eco-tan is cold...
Ahh... I am worried for his safety too
No, it's just...
...What should we do if she decides to marry him!!
What if sister...



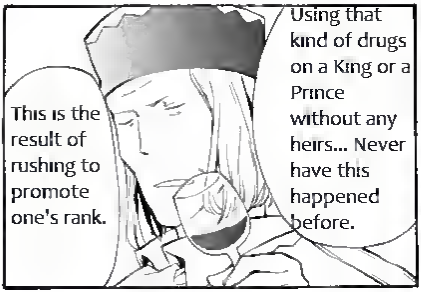
It's all to test his eligibility!
Even bringing him up to the mountains...
Because Shingetsu is a warrior, perhaps she wanted to choose someone that is the opposite of her.
Although Eco is fun to have around, but I cannot view him as my big brother!
The kind of feeling
Shingetsu!! Who else would it be!
This is the first time that has spoken about bringing a man with us!!
Sister... Who?

We can teach you anything, even hunting! It'll be fine
In that case, we can then be brothers!!
BELCA!!!
PLEASE MARRY SHIN-GETSU!!!
HUH?!

Bang
Its regarding that man...
Regar-ding Eco.
Ah... That's okay.
My apologies. My youngest brother is still a child no matter how old he is
ARGH IT HURTS
I didn't really take it to heart...
sfx grab
Uhm.
Would you come with me for a while?
The carriages from the royal palace are ready to depart for the resting area
Mm.
I will take my leave now, then.
Lord Dien,
The carriage is ready.

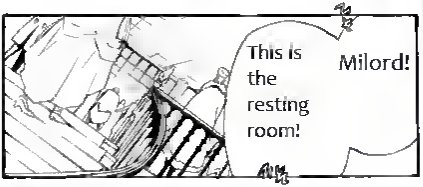


–Sigh
His Royal Highness, the Crown Prince is often worried about Prince Belca's situation...
Yes, but...
It worries me greatly.
But of course, even if Prince Belca is unable to return alive, it wouldn't make much of a difference, that said.
At the last moment, not even mercenaries
I am sorry to have to leave the palace at a time like this.
It's alright, I understand.
If there is a chance of the Plague happening, even if it is in the neighbouring lands, if we don't come up with a solution
Do you think that His Royal Highness, The Crown Prince is the last remaining survivor of the royal bloodline?
Milords...
is that so?

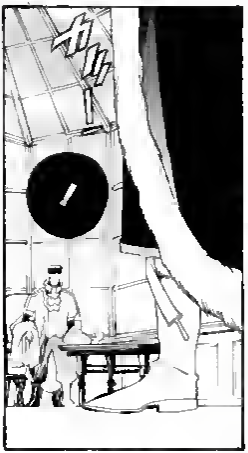


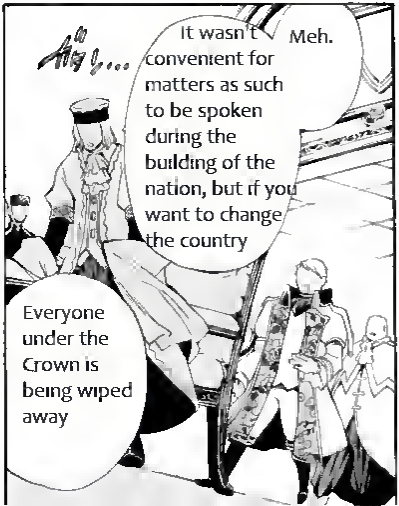
This is the result of rushing to promote one's rank.
Using that kind of drugs on a King or a Prince without any heirs... Never have this happened before.

Lord Rubelli
Please mind your language.



This is the resting room!
Milord!

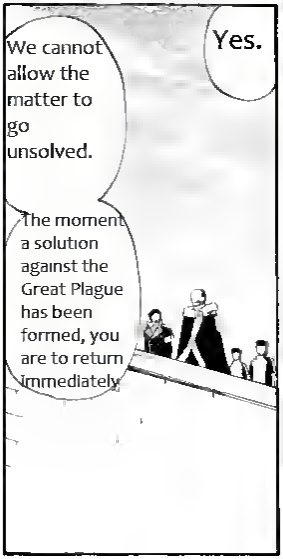




Ahh...
It wasn't convenient for matters as such to be spoken during the building of the nation, but if you want to change the country
Meh.
Everyone under the Crown is being wiped away

Knights that descended together with the valliant King
And obtained the position as Knights of the round table, becoming the solid foundation of defence for the country
I cannot believe
That this is coming from the 'Knights of the Round Table'
I'm sure that you haven't forgotten this Code of Honor.
You need not resort to dirty little tricks like Lagen in order to be able to gain influence.
That is...
...Because everyone here is a descendant of the knights of the round table.
Lord Lagen...
.....

...just take it as a compliment.
Then I will...



We cannot allow the matter to go unsolved.
Yes.
The moment a solution against the Great Plague has been formed, you are to return immediately.

Kiliko

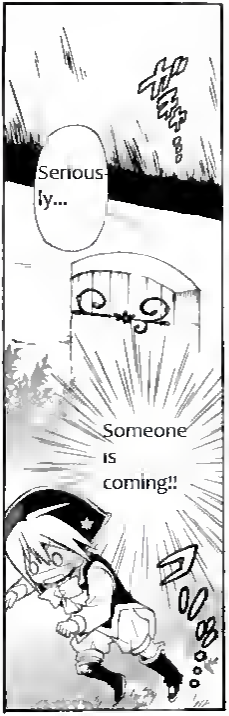
I can't hear what they are saying...

.....

But to be honest, I am surprised
Father, that you are not making a fuss about the Royal Family's bloodline.
Indeed, whether Orcelito wishes to have heirs to the throne is still a great concern to everyone.
You must bring Belca back alive.
I understand. I will try my best.
...
Kiliko, It's about time that I should explain to you.
Ah yes. It is about time...

It can't be...
that the secret
Has something to do with the bloodline of the Royal Family?
Father-
This... It can't be...
The Lagen's secret...?

Ahh!!
Click
Ehh?
I thought this is the exit since there is light...
I had no idea the palace has a place like this in it!



Seriously...
Someone is coming!!

The inner palace...?
There is a small house here...

Oh!
Perhaps...
The maid got lost here!!
(Musca might be referring to her maid)

I can't do it.
Even if the manner of dress is impeccable
he has absolutely no skills at conversation

.....
This is...
Could this be the home of those men just now?
They're gone
The matter of providing the herbs here as priority to the casualty
Also...
Maid... Are you here?
It's me...
I won't be angry, please come out...
Maid...
She is...
Really not here...
Ahh
(Sigh)

Musca...

Recognises this person!!

Hey! Wake up!
The peasants have all fled. You- What are you doing here?!
Brother Belca... No!
Commoner! It's the commoner servant!
Sir, this way, please.
!!!
Are they back again?!
Oh no... The people from before?!
worried

Carefully, the drug...
It's the horrible man!!
Milord!
I don't recommend this...

.....
At such a small amount, it wouldn't worsen his condition
Oh no, what do I do... I need to ask brother Orcelito about it...
.....
Because Musca is a mercenary now!!
But...
Not now!

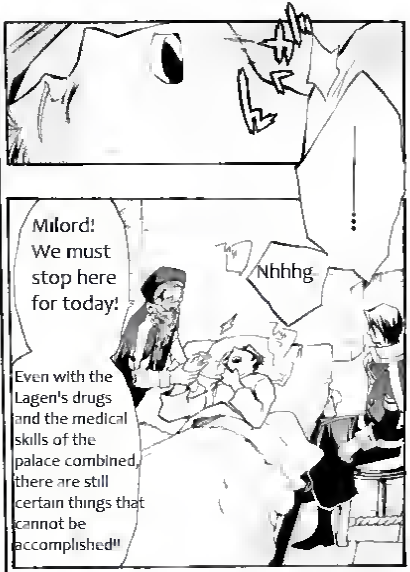
Never mind.
Do you recognise me?
I have something to ask you.
Linna... Dzintars Orhaldi
No, you are not of a nobility status...

I...
Am...
.....

I will just be blunt with you.
Even if it was me, I don't wish to solve it in such a crude manner.
Prince Belca is outside of the town gates
If he becomes an obstacle to Orcelito ascending the throne, then it will be difficult for us.
If you could persuade him, please do ask him to return as soon as possible
If he returns, His Royal Highness will ensure that his needs in life will be met
If he feels that living in the palace is bothersome for him
We can also arrange for his highness to live somewhere else outside of the palace grounds.

Ko...
Kili...
.....
Uh...

...You are the only one
Who can save Prince Belca.



Milord! We must stop here for today!
Even with the Lagen's drugs and the medical skills of the palace combined, there are still certain things that cannot be accomplished!!
Nhhhg
.....

Unders tand, Orhaldi...
There is no choice... I will return again another time.

I see ...
I am...
Still alive...
...
?.....
How... could I...
Give...
His Highness...
Mm hnn... Hnn...
That horrible band of men is finally gone!!

Stop!!
Don't you know that is a pair of scissors?!
You will cut yourself!! It hurts! You might die!!

Any... any...
T-
Trouble...?

Ngghh

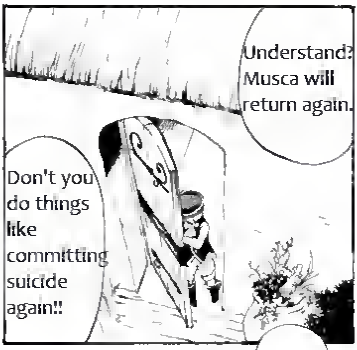
Are you... One of the healers...?
...you...

Lagen... and... The drugs... he uses to control... others...
...if...
!?
Argghh I can't stand it that Belca!!!
Anyway! If you die, you can't accomplish anything!
You really know how to give others trouble!
Because you are a commoner servant, am I not right?
Who cares about that??
Because! Musca wanted to be together with her maid
!

I don't want a new maid!!
Because if maid is not here, I'll be lonely...
Commoners are the same...
You have to be together with the others (commoners)!!

Eco saved me.

Must report this to Seamrog!
Musca...
ガチャ
ooo



Understand? Musca will return again.
Don't you do things like committing suicide again!!

!

Ahh!!
He's a peasant!! I shouldn't have appeared before him!!
It was improper!!

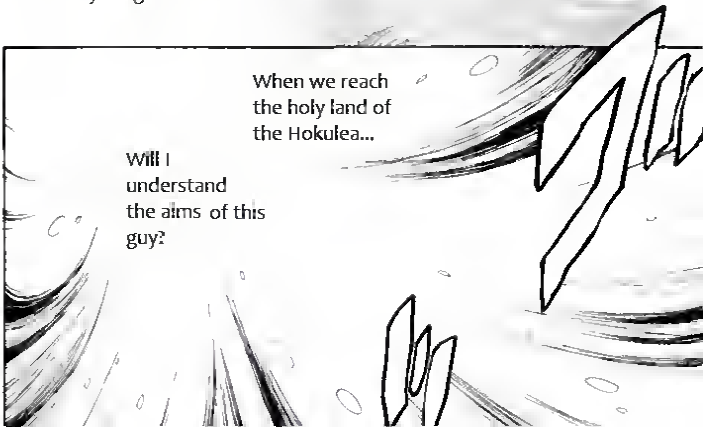
I don't think he is a bad person...
In Sana... he has also helped to hide me
I understand that he truly wishes to help you...
.....
I, who was pursued by Kiiko Lagen when in the palace in Sana?
And fell off the cliff...
He has always been looking after me
Poisoning the entire household of that noble
Using people who has been blinded by revenge as a bait
Moreover... He has resorted to trickery to achieve this

When it comes to resort to trickery, I am the same...
Even though I know I am not in the position to ask of such things
Is it for revenge for his ancestors... or is it for power?
What is the reason behind that man helping you?
:
It's something that I cannot understand
He says he wants to write a song about me
And understand the truth behind the history
Even if I cannot return to the scared land
I will still kill that man personally
However... If that man's sword points towards the scared lands
Or any other innocent Hokulea

Wait!!
Eco will never do something like that!
"Will never do something like that"...?
.....
Eco, is indeed a weird fellow...
It seems as if he knows about everything, all the time.
Even though i always thought that bards and scholars are supposed to be like that...

is willing to sacrifice anything...?

For the sake of what or whom...



What is it? Keep moving.
Once we get past this mountain it will be other homeland...
The Holy land.
Both of you be careful!!
You are definitely going to die if you fall from this cliff!!
Hey...
please wait a bit... Shingetsu
This place...

Quick, we must inform the Palace and the town council!
These are the same symptoms as the Plague from the past...
Mean while in some place, south of main street (unknown street name)
Ahh, Mistress Healer— This is complica ted for us
Mayor...?
If we inform the Palace, what should we do if they seal off the street?
How is it, Mistress Healer? (doctor)

MINNA-SAN!

IT'S ME AGAIN! HAHA:D THIS TIME I'M GLAD TO SAY, I'M NOT ALONE^^
I HAVE WITH ME, TRIZAH AND ~M.ICHI TO HELP ME OUT
WITH THE TRANSLATIONS AND TYPESETTING(:
SO WE ARE NOW A SCANLATOR GROUP, AND WE WELCOME MORE HELP,
BUT WE HAVE YET TO FIND A NAME,
SO WE WILL BE GLAD IF ANYONE CAN GIVE US ANY SUGGESTIONS>.-

ANOTHER POINT TO NOTE: AS ~M.ICHI IS ABLE TO DO
J->E TRANSLATIONS AND PROOFREADING
SO IT WILL BE GOOD IF WE HAVE THE JAPANESE RAWS.
HOWEVER WE ONLY HAVE THE JAPANESE RAWS UP UNTIL OP 29,
SO IF ANYONE HAS JAPANESE RAWS OF +C FROM OP 30 ONWARDS,
PLEASE SHARE IT WITH US!
CONTACT ME ON MF FORUMS, VM OR PM OR EVEN VIA EMAIL;
JUST IDENTIFY YOURSELF! THANKS SO MUCH IN ADVANCE^^

ONCE AGAIN TO REPEAT MY POINT,
IF THE TRANSLATIONS (NAMES AND CONTENTS) ARE WRONG,
PLEASE FORGIVE US>.<

ENJOY~

HELP ECO-TAN, BY PURCHASING +C: SWORD AND CORNETT
WHEN IT'S AVAILABLE IN YOUR LOCAL BOOKSTORE!

MINNA-SAN:D

FIRSTLY, I WOULD LIKE TO INTRODUCE TO ALL OF YOU, OUR JAPANESE RAWS PROVIDER, YUMIKAT.
MANY THANKS TO YUMIKAT FOR PROVIDING US RAWS SCANS SO WE CAN ENSURE THE ACCURACY OF THE TRANSLATIONS AND TO CONTINUE BEYOND OP 33. SO PLEASE DO SHOW YOUR SUPPORT AND THANK HER!

THAT BRINGS ME TO THE NEXT POINT. IN OP 28 I MADE AN ERRATA: "ALSO IN OP 27, IN THE VERY LAST PANEL, THE LOCATION WAS STATED AS UNKNOWN STREET. IT SHOULD BE "KUKLANT TRAIL, SOUTH STREET, WIESE-JAMINO"." MY BAD, BECAUSE THAT WAS TRANSLATED FROM CHINESE>.< NOW THAT WE HAVE THE JAPANESE RAWS, AND JAPANESE TRANSLATOR, WE HAVE CHANGED IT TO VIEZA KAMINO; LITTERAL KATAKANA IS WRITTEN AS VIZE KAMINO IN ROMAJI - ヴィゼカミーノ.

ALSO, I HAVE GROWN LAZY. I DECIDED TO LEAVE THE SFX ALONE AND NOT CLEAN THEM:X WHY? BECAUSE REDRAWING TAKES A LOT OF TIME, AND I DON'T WANT TO SPOIL THE ORIGINAL ART (YA, I KNOW THESE ARE JUST EXCUSES). HOPE NONE OF YOU ARE BOTHERED BY IT^^

AS SAID IN THE PREVIOUS OP, WE STILL DO NOT HAVE A NAME, BUT HOPEFULLY BY THE NEXT OP WE WILL HAVE ONE. AGAIN, LET ME INTRODUCE OUR GROUP TO YOU: M.ICHI, TRIZAH, AND MYSELF! AYU HAS CONTACTS WITH THE PREVIOUS GROUP WORKING ON +C AND SHE HAS INFORMED US THAT THEY ARE OKAY WITH US CONTINUING, SO I WOULD LIKE TO EXPRESS MY THANKS TO THE ORIGINAL GROUP FOR DOING SUCH A WONDERFUL JOB AND KIND ENOUGH TO ALLOW US TO CONTINUE. ARIGATO!
I'M ALSO ENCOURAGED BY POSITIVE RESPONSES TO HELP CLEANING; WE WELCOME ALL VOLUNTEERS, EVEN FOR QUALITY CHECKING(:

ENJOY~

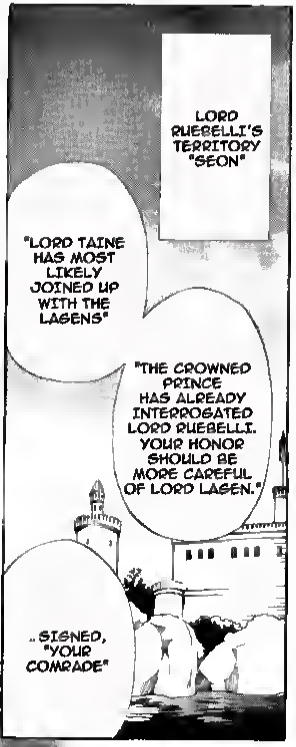
REGARDING THIS MATTER'S ACCUSATION...
THIS IS THE FIFTH LETTER ALREADY



LORD RUEBELLI'S TERRITORY "SEON"
"LORD TAINE HAS MOST LIKELY JOINED UP WITH THE LAGENS"
"THE CROWNED PRINCE HAS ALREADY INTERROGATED LORD RUEBELLI. YOUR HONOR SHOULD BE MORE CAREFUL OF LORD LAGEN."
..SIGNED, "YOUR COMRADE"

UNCLE... PLEASE DON'T BE BOTHERED BY THESE RUMORS
LORD TAINE.. YOU WENT TO SCHOOL WITH LORD ALTOL, DIDN'T YOU?

I MUST RETURN TO THE PALACE AT ONCE
—I SEE...

ECO...
HE HAD SUCH BEAUTIFUL...
Op.30
—OF COURSE

I GUESS I REALLY CAN'T DO ANYTHING, HUH?
——YOUR HIGHNESS
YOUR HIGHNESS, PRINCE BELCA... I WAS TOLD THAT I COULD FIND YOU HERE.
THAT VOICE SOUNDS LIKE BROTHER'S——...
JUST A MOMENT. I'LL OPEN THE DOOR RIGHT AWAY!
SFX:FLUU FLUU
I HAVE A LOT I WANT TO ASK YOU... WHY ARE YOU HERE——
...I'M SORRY THAT I AM JUST INTRODUCING MYSELF NOW
I AM... HIS HIGHNESS PRINCE HECTOR'S ATTENDANT. IT'S A PLEASURE TO MAKE YOUR ACQUAINTANCE.

T/N: NO CLUE WHAT THE == BETWEEN THE KA AND KO IS SUPPOSED TO MEAN. I'M ASSUMING IT'S A BREAK LIKE THE DOT. THAT'S THE BEST KATAKANA READING OF HIS NAME I CAN GIVE. THE KOAL PART IS PRONOUNCE LIKE COAL... WITH THE LONG OO SOUND
—YOUR NAME IS...
THAT'S RIGHT... I AM A PRINCE...
...AH...
YES... WE'VE MET A COUPLE OF TIMES IN THE PALACE
I... HONOURING THE FINAL WILL OF HIS HIGHNESS PRINCE HECTOR...
I DID NOT WAIT FOR THE FUNERAL AND WENT DIRECTLY THROUGH THE CROWN PRINCE'S TERRITORY TO THE HOKULEA'S LANDS SO I COULD HELP PROTECT THEM.
YES
*I AM KNOWN AS [YAN YASHUKA KOAL]
IN THESE LANDS... I HAVE BEEN GIVEN THE HONOURABLE NAME, TENKO

...KOAL... YOU HAVE ALWAYS BEEN WORKING HARD FOR THE SAKE OF MY BROTHER
THANK YOU...
IT IS WONDERFUL THAT SOMEONE LIKE YOU HAD STAYED WITH BROTHER
I HAD MY DOUBTS ABOUT PRINCE HECTOR'S DEATH...
BUT I COULDN'T DO ANYTHING EXCEPT FOLLOW ORDERS
FORTUNATELY THINGS HAVE BEEN GOING SMOOTHLY AS LORD TAINE IS ONLY THE ACTING OFFICER FOR DEFENSE AND HIS POWER COULD NOT REACH THIS PLACE
OH WAIT!!
PRINCE BELCA COULDN'T BE AN ENEMY OF THE HOKULEA, RIGHT!!
.....
PRINCE BELCA
YOU HAVE... CHANGED A LOT, HAVEN'T YOU

BUT... I AM TERRIBLY SORRY FOR WHAT HAPPENED INSIDE THE SPIRE
RIGHT NOW.. I HAVE ENTRUSTED THAT TERRITORY TO A TRUST-WORTHY PERSON
AND HAVE COME HERE TO PERSONALLY PROTECT THE HIGH PRIESTESS

NO... IN THAT KIND OF SITUATION EVEN IF YOU RAN OVER TO HELP HIM...
KOAL

IT IS UNACCEPT-ABLE THAT SOMEONE LIKE ME LEFT MASTER RENJU'S SIDE..
AND I AM VERY SORRY FOR WHAT HAPPENED TO MASTER ECO—
THAT WASN'T YOUR FAULT
IF ONLY I WAS STRONGER..

EXCUSE ME.. BUT I STILL HAVE A LOT OF THINGS I WISH TO ASK YOU
...MAY I TALK WITH YOU FOR AWHILE

..THAT'S FINE
THEN
ONCE UPON A TIME
WHEN THE HEAVENLY SPIRE WAS BUILT.. IT WAS SAID THAT THERE WERE 5 HIGH PRIESTESSES
SFX: HAA JI...
HOW ABOUT... WE TALK WHILE WE WALK
BUT... NOW ONLY MASTER RENJU AND MASTER SUBARU ARE LEFT

I SEE... SO THAT LITTLE KID IS ALSO A HIGH PRIESTESS
THAT MEANS... SHE'S A GIRL?!
SFX: BOB KAK
MASTER SUBARU DECIDED TO BECOME THE EYES AND EARS OF MASTER RENJU
EVEN THOUGH SHE IS STILL IN TRAINING... SHE POSSESSES IMMENSE POWER FIT FOR A PRIESTESS AS WELL AS THE ABILITY TO SING
...SING...
THAT'S RIGHT
THERE ARE NO HISTORY BOOKS OR SOMETHING LIKE THAT RECORDING THE HISTORY OF HOKULEA
HISTORY IS KEPT AND SPREAD THROUGH ORAL TRADITION IN THE FORM OF SINGING AND FOLK SONGS

SFX: THROB THROB
HEART BEAT
THERE SHOULD ALSO BE A SONG ABOUT THE INCIDENTS REGARDING REITZ THE FIRST
IF THAT IS THE CASE ..
...YOUR HIGHNESS
YOUR HIGHNESS.. YOU REALLY READ "THAT BOOK"
AH... NO
SINGING THE SONG OF HISTORY... IS A VERY DIFFICULT TASK
MASTER RENJU'S BODY IS WEAK.. SO I HAVE NEVER HEARD IT BEFORE
ONCE MASTER ECO'S CONDITION STABILIZES, THE HIGH PRIESTESS MAY DECIDE TO SING IT FOR BOTH OF YOU
OBEYING THE ORDERS OF PRINCE HECTOR.. THE ONE WHO HID THE PAGES FROM THAT HISTORY BOOK.. INSIDE...THOSE..
"APPLICATION READING MATERIALS"... WAS ME
むにゃ
APPLICATION READING MATERIALS!!
PRINCE HECTOR TOLD ME IT WAS A NOVEL...
SPEECH-LESS

SFX: STEP
...YOUR HIGHNESS!
THE CONTENTS OF THAT HISTORY BOOK... ARE THEY TRUE...? I WOULD LIKE TO KNOW
THANK YOU VERY MUCH
I'VE GOT TO EXPRESS MY GRATITUDE TO THE HIGH PRIESTESS
SFX: SIGH
I HAVE BEEN WORRIED IF SOMEONE AS LOW RANKED AS MYSELF COULD REALLY GET INVOLVED WITH THIS
CAN I... WITH YOUR HIGHNESS, MAY I LISTEN TO THE FOLK SONG WITH YOU?!
!
AH...
OF COURSE IT'S FINE—
SFX: KAK CHANG ≒SOUNDS OF SOMETHING DROPPING? FIGHTING?≒
SFX: PA—LA

IZAYOI—YOU
DO YOU UNDERSTAND WHAT YOU HAVE DONE?!
—AH
WHAT HAPPENED ...!?
THAT PLACE IS... THE UNDER-GROUND PRISON!
EVEN THOUGH IT'S A PRISON, WE'VE ONLY BEEN USING IT FOR STORAGE

BUT YOU.. YOU BETRAYED US FOR THE PEOPLE OF THE STONE CAPITAL!
FROM LONG AGO OUR TRIBE HAS BEEN GUARDING THIS HOLY MOUNTAIN
BEING HUNTED LIKE ANIMALS.. IT IS THANKS TO THE HOLY LAND THAT WE, HOKULEA, CAN RETAIN OUR HEARTS AND PRIDE.
THAT'S WHY.. IT WON'T WORK IF PEOPLE LIKE YOU CAN ONLY THINK ABOUT FIGHTING!!
WAR ONLY BRINGS MORE WAR.. EVERYONE WOULD ONLY END UP GETTING KILLED ONE DAY, JUST LIKE TAIHAKU AND HIS GROUP..
PRINCE ORCELITO PROMISED US LAND WHERE WE COULD LIVE FREELY AND WITHOUT BEING HUNTED
THERE ARE ALSO OTHER PEOPLE LIKE PRINCE HECTOR AND PRINCE BELCA IN THE STONE CAPITAL..
MAYBE ONE DAY.. WE COULD BE FRIENDS WITH THEM AND HAVE A CHAT WHILE HAVING A DRINK

SHIN-GETSU... STOP!!!
YOU.. YOU ARE MISTAKEN!
SFX: SLIDING DOWN ROPES
THOSE VOICES... BELONG TO SHINGETSU AND.. SOMEONE ELSE...?
YOUR HIGHNESS.. IT'S BEST TO STOP HER AS SOON AS POSSIBLE
I... HAVE NEVER THOUGHT OF MYSELF AS BEING IN THE RIGHT
HOWEVER YOU'RE JUST LYING TO YOURSELF WITH THAT FALSE SENSE OF JUSTICE
..YOU SOLD US OUT
*WITHOUT EVEN BARING YOUR FANGS
*T/N: PRETTY MUCH SHE'S SAYING TO IZAYOI: I MAY NOT BE RIGHT, BUT WHAT YOU DID IS STUPID

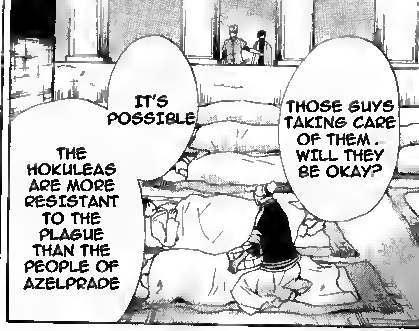
—AH
THAT WAS DANGE-ROUS ~~~!!!
I WAS RIGHT ABOUT COMING TO CHECK UP ON THINGS IN HERE~~~
—EEEH
OH IT'S BELCA—
LITTLE...
NO—— "HIGH PRIESTESS"
ほっ
...PRINCE BELCA!

PRINCE BELCA... YOU ARE REALLY HERE...
PLEASE TELL HER THAT PRINCE ORCELITO HAS ALREADY AGREED TO HELP THE HOKULEA...!
I'M SORRY BUT...
I THINK... HE NEVER INTENDED FOR THIS TO HAPPEN
.....
THAT GUY FROM THE FOX'S CAVE
SO HE WAS THE ONE WHO GUIDED THEM——...
...
I DON'T THINK IT'S ONLY IZAYOI OF THE SEVENTH VILLAGE
I THINK EVERYONE... IS TIRED OF THIS

I WENT WITH TENKO AND PATROLLED THE OTHER VILLAGES
THERE ARE MANY WHO SHARE THE SAME BELIEFS AS IZAYOI
OF COURSE THERE ARE ALSO THOSE WHO WANTS TO GO TO WAR
I'VE GOT SOME THINKING TO DO...
THIS TIME... ALTHOUGH WE WERE SAVED BECAUSE OF THAT VIRUS——
SFX: HA (ATTENTION)
...VIRUS
KOAL...! WHAT OF THE SOLDIERS...
YES.. THE INVADERS WORE THE MARK OF THE THIRD BRIGADE'S PRIVATE GUARD IN THE KINGDOM
..AS OF RIGHT NOW, WE ARE STILL OBSERVING THE SYMPTOMS..

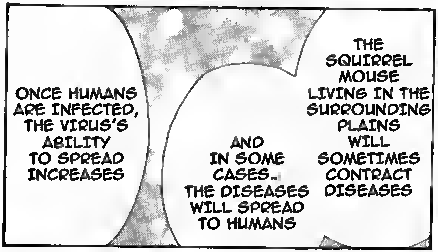
WE FEAR
THE GRIM REAPER..
THEY ARE ASLEEP IN THIS ROOM
THAT IT IS THE PLAGUE
ONCE AGAIN THE GRIM REAPER HAS COME TO AZELPRADE..
YOUR HIGHNESS, PLEASE REFRAIN FROM ENTERING

THE PLAGUE
IS NOT THE WORK OF THE GRIM REAPER

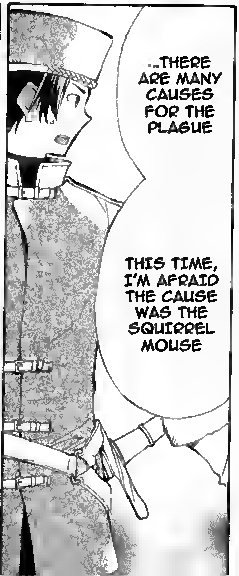


THOSE GUYS TAKING CARE OF THEM. WILL THEY BE OKAY?
IT'S POSSIBLE
THE HOKULEAS ARE MORE RESISTANT TO THE PLAGUE THAN THE PEOPLE OF AZELPRADE

...EH
BUT... THE GRIM REAPER
... YOUR HIGHNESS



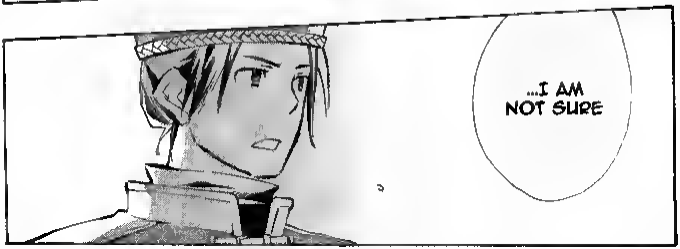
ONCE HUMANS ARE INFECTED, THE VIRUS'S ABILITY TO SPREAD INCREASES
AND IN SOME CASES.. THE DISEASES WILL SPREAD TO HUMANS
THE SQUIRREL MOUSE LIVING IN THE SURROUNDING PLAINS WILL SOMETIMES CONTRACT DISEASES



..THERE ARE MANY CAUSES FOR THE PLAGUE
THIS TIME, I'M AFRAID THE CAUSE WAS THE SQUIRREL MOUSE

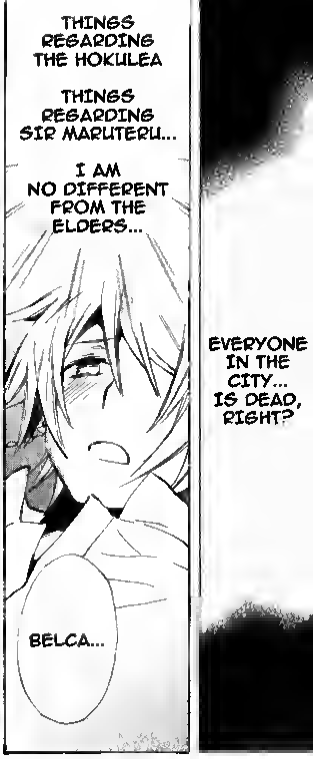
THIS TIME, I BELIEVE THAT THE CLIMB THROUGH THE SNOW COVERED MOUNTAINS HAS LOWERED THE SOLDIERS' STRENGTH TO WARD OFF THE DISEASE
.....

THOSE GUYS... THEY'RE GOING TO DIE, RIGHT?
——... I DON'T REALLY UNDERSTAND
BUT



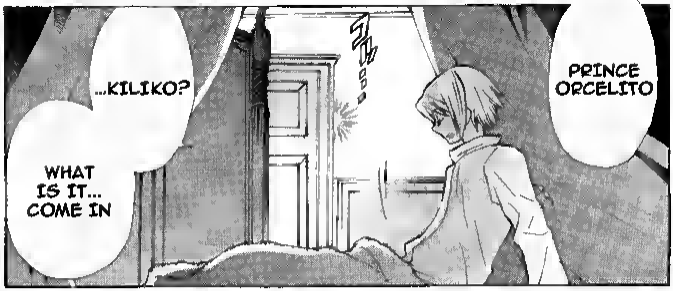
...I AM NOT SURE

.....
THE GATE OF *VIEZA KAMINO ARE CLOSED



THINGS REGARDING THE HOKULEA
THINGS REGARDING SIR MARUTERU...
I AM NO DIFFERENT FROM THE ELDERS...
EVERYONE IN THE CITY... IS DEAD, RIGHT?
BELCA...

*T/N: I THINK WHAT HE'S SAYING IS THAT HE'S STRAYED FROM THE RIGHT PATH

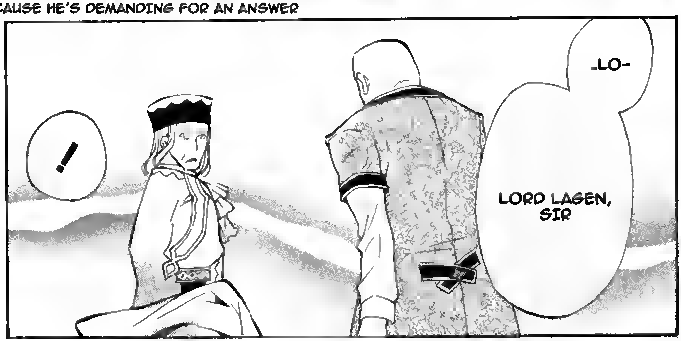


*T/N: CORDIAL IS A TYPE OF MEDICINAL DRINK ALCOHOL, CANDY, ETC.
THIS IS *CORDIAL TEA
IT IS A BIT CHILLY TONIGHT
コト
SFX: CLANG CLANG
ARE YOU TRYING TO COMFORT ME? EVEN AFTER KILLING MY BROTHER, YOU STILL ACT AS THOUGH NOTHING IS WRONG
REGARDING KAMINO... THERE IS NO NEED TO FEEL CONCERNED
IT IS FORBIDDEN TO WANDER AROUND DURING THE PLAGUE... WE DECIDED THAT DURING PAST MEETINGS ON THE MATTER
YOU ARE MY PRINCE... IF OUR RELATIONSHIP WERE TO BE AFFECTED BY SOMETHING LIKE THAT THEN IT WOULD BE TROUBLESOME
.....
I HAVE ALREADY FORGOTTEN
I'M JUST FEELING A LITTLE NOSTALGIC, THAT'S ALL
DO NOT WORRY

—HOW ABOUT YOU COME A LITTLE CLOSER
SFX: KEEE
LET'S HAVE A LITTLE TALK
VIP HOTEL
ROADS ON THE WEST RAKA STREET
HOW.. A VISIT SO LATE AT NIGHT!
THIS IS .. LORD RUEBELLI

ALRIGHT, ALRIGHT, JUST MOVE THE LUGGAGE INSIDE
I AM DEEPLY SORRY SIR... THAT ROOM IS ALREADY OCCUPIED BY ANOTHER GUEST
WE HAVE OTHER VACANT SUITES THOUGH...
PREPARE THE SPECIAL ROOM FOR ME!
A GUEST...? *WHO

*EDITOR'S NOTE: NO PUNCTUATION HERE BECAUSE HE'S DEMANDING FOR AN ANSWER



...EH
LORD RUEBELLI
YOUR LORDSHIP IS STAYING HERE TOO?
LAGEN YOU SAY?
THAT MAN HAS ALWAYS KEPT ME BACK WHILE HE ROSE TO SUCCESS
YES
IS IT BECAUSE OF THE PLAGUE..
HAS EVERYONE TEMPORARILY LEFT THEIR TERRITORIES TO GATHER IN THE KINGDOM?
—ANYWAYS, EXCUSE ME
...THAT LAGEN..
ACTING LIKE.. HE'S SO MUCH BETTER...

KARYUON...
HOW COULD I.. LET YOU SUCCEED
THAT...
RELAXED EXPRESSION... DID HE REALLY ALLY HIMSELF WITH TAINE TO BRING ME DOWN..?
SFX: KA LA
THAT STINKING ALCHEMIST...
.....

THE HILL TOP'S... LUXURY HOTEL IS ON FIRE...!!
WHAT THE HELL...
SO THE REAL PURPOSE FOR YOUR VISIT— IS THIS?
YES
RIGHT NOW... I DON'T WANT THE PRIVATE GUARDS TO HEAR THE NEWS
BUT TONIGHT IS A GOOD OPPORTUNITY TO TELL YOU
FINE
SPEAK
—A COUPLE OF DAYS AGO

I
INHERITED
FROM MY FATHER ——THE *SECRET
*T/N: THIS REFERS TO THE LAGEN'S SECRET

I SEE
SO THAT LITTLE GIRL IS REALLY THE HIGH PRIESTESS. THAT'S GOOD
...ECO
I...
THIS... MUST BE THE RESULT OF JEALOUSY FROM THE FAIRY QUEEN FOR ECO-TAN'S CUTENESS AND BEAUTY!!
THAT HAS TO BE IT! WHAT A TRAGEDY!!
I...
DON'T JOKE AROUND
...ALTHOUGH I HAVE SAID THIS IN THE PAST
NO MATTER WHAT... I WILL THINK OF THE BEST PATH..
BEFORE PROCEEDING

I AM NOT GOOD IN BATTLES AND I CAN ONLY DEPEND ON OTHERS TO SOLVE MY PROBLEMS
SO... I USED THE HOKULEA TO ENTER THE CITY
AND THE GUARDS TO ESCAPE
——...EVEN THOUGH I KNEW ORHALDI WAS WOUNDED, I STILL REQUESTED HIS HELP
THIS TIME... I AM JUST USING "MY BODY" AS A CHESS PIECE
SO... YOU DO NOT HAVE TO FEEL ANY REGRET
——RIGHT?
.....

...I UNDERSTAND
IF THAT IS WHAT YOU SAY.. I BELIEVE IN YOU
—OH
YOU TWO ARE SO SLOW!!
I'M SORRY. I DON'T KNOW WHY BUT SELCA-TAN WAS BEING SO NASSY~~~~
IT SHOULD START SOON
PLEASE GO IN AND TAKE A SEAT
HMM
—... EH

REALLY? IF YOU'D LIKE, WE'D BE HAPPY TO SHOW YOU MORE LATER

..FLOW

T/N: BOW AS IN VIOLIN OR KOTO (JAPANESE INSTRUMENT) BOW
THE "FLOW OF MUSIC"
IT IS THE TAKING OF THE WORDS PASSED DOWN FROM DIFFERENT GENERATIONS AND WEAVING THEM INTO THE MUSIC, MAKING THE LYRICS SING OF PROPHECIES AND TIME
!

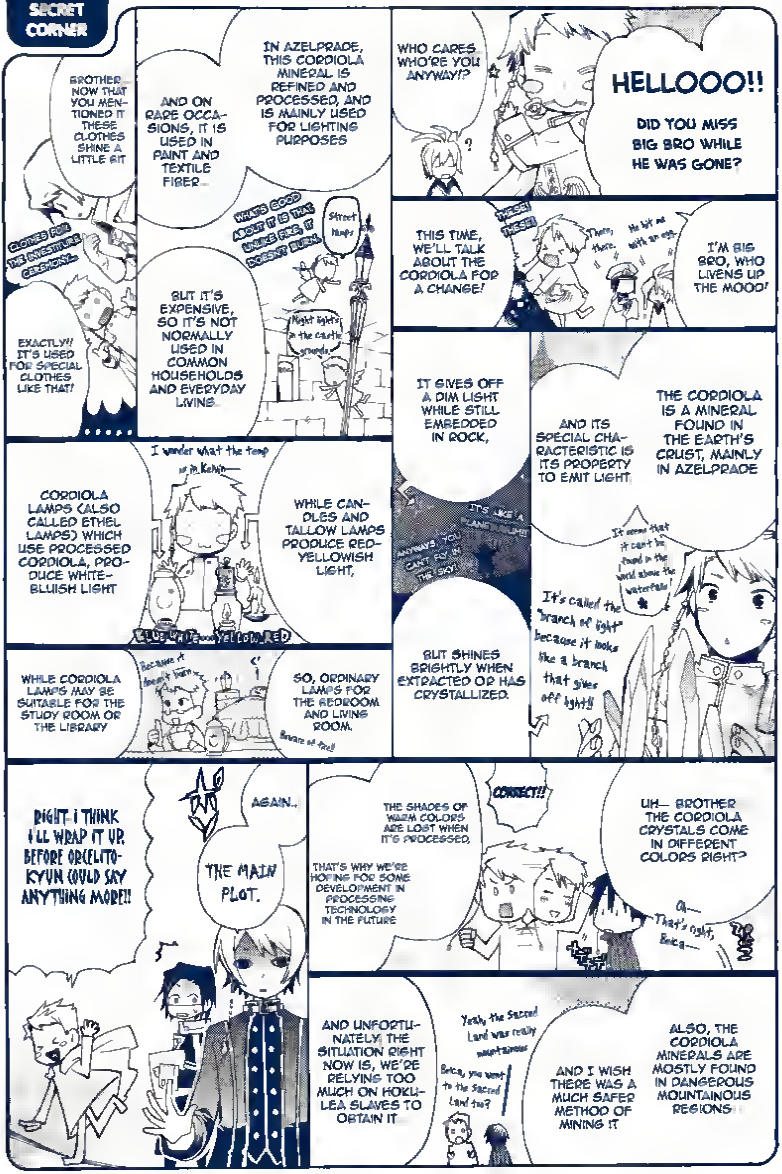
SURA- RU...UH, I MEAN, HIGH PRIESTESS,
WHY DO YOU USE "BOKU" WHEN YOU REFER TO YOURSELF?
EH!? DO I TALK FUNNY!?
BECAUSE!!
GIRLS USING "BOKU"...
IS SUPER AWESOME!!!
Please let these feelings reach him!
BROTHER.
EH?
AMEMIYA
WELL, CAN'T BE HELPED

What's up with the Cordiola?!

SECRET CORNER



HELLOOO!!
DID YOU MISS BIG BRO WHILE HE WAS GONE?
WHO CARES WHO'RE YOU ANYWAY!?
I'M BIG BRO, WHO LIVENS UP THE MOOD!
THIS TIME, WE'LL TALK ABOUT THE CORDIOLA FOR A CHANGE!
IN AZELPRADE, THIS CORDIOLA MINERAL IS REFINED AND PROCESSED, AND IS MAINLY USED FOR LIGHTING PURPOSES
AND ON RARE OCCASIONS, IT IS USED IN PAINT AND TEXTILE FIBER...
BROTHER... NOW THAT YOU MENTIONED IT THESE CLOTHES SHINE A LITTLE BIT
CLOTHES FOR THE INVESTITURE CEREMONY...
EXACTLY!! IT'S USED FOR SPECIAL CLOTHES LIKE THAT!
BUT IT'S EXPENSIVE, SO IT'S NOT NORMALLY USED IN COMMON HOUSEHOLDS AND EVERYDAY LIVING.
WHAT'S GOOD ABOUT IT IS THAT UNLIKE FIRE, IT DOESN'T BURN.
Street Lamps
Night lights in the castle grounds
THE CORDIOLA IS A MINERAL FOUND IN THE EARTH'S CRUST, MAINLY IN AZELPRADE
AND ITS SPECIAL CHARACTERISTIC IS ITS PROPERTY TO EMIT LIGHT.
IT GIVES OFF A DIM LIGHT WHILE STILL EMBEDDED IN ROCK,
IT'S LIKE A FIREFLY!
ANYWAYS, YOU CAN'T SEE IT IN THE SKY!
BUT SHINES BRIGHTLY WHEN EXTRACTED OR HAS CRYSTALLIZED.
It seems that it can't be found in the world above the waterfalls
It's called the "branch of light" because it looks like a branch that gives off light!!
I wonder what the temp is in Kelvin—
CORDIOLA LAMPS (ALSO CALLED ETHEL LAMPS) WHICH USE PROCESSED CORDIOLA, PRODUCE WHITE-BLUISH LIGHT
WHILE CANDLES AND TALLOW LAMPS PRODUCE RED-YELLOWISH LIGHT.
BLUISH WHITE YELLOWISH RED
WHILE CORDIOLA LAMPS MAY BE SUITABLE FOR THE STUDY ROOM OR THE LIBRARY
Because it doesn't burn
SO, ORDINARY LAMPS FOR THE BEDROOM AND LIVING ROOM.
Because of heat
AGAIN...
THE MAIN PLOT.
RIGHT. I THINK I'LL WRAP IT UP. BEFORE ORCELITO-KYUN COULD SAY ANYTHING MORE!!
THE SHADES OF WARM COLORS ARE LOST WHEN IT'S PROCESSED.
THAT'S WHY WE'RE HOPING FOR SOME DEVELOPMENT IN PROCESSING TECHNOLOGY IN THE FUTURE
CORRECT!!
UH— BROTHER THE CORDIOLA CRYSTALS COME IN DIFFERENT COLORS RIGHT?
Oh— That's right, Beca—
AND UNFORTUNATELY, THE SITUATION RIGHT NOW IS, WE'RE RELYING TOO MUCH ON HOKULEA SLAVES TO OBTAIN IT.
Yeah, the Sacred Land was really mountainous
Beca, you went to the Sacred Land too?
AND I WISH THERE WAS A MUCH SAFER METHOD OF MINING IT
ALSO, THE CORDIOLA MINERALS ARE MOSTLY FOUND IN DANGEROUS MOUNTAINOUS REGIONS.
